MyMaths for Key Stage 3 is the brand new course that works with MyMaths to fully deliver the new curriculum, allowing you to finally replace your tired old Framework materials. With a truly differentiated structure so that all abilities can access the new curriculum, the course is underpinned by a 'learn it once and learn it well' philosophy that enables coherent teaching and learning. All resources are written by teachers for teachers, so you can be confident that it will work practically in the classroom. This homework book is for higher ability students moving through Grade 6-9. It supports the corresponding student book, and allows them to build on their knowledge and skills acquired earlier in the key stage. An emphasis on gradual but visible progression, combined with a focus on fluency, makes this book an essential resource in your Grade 6-9 maths delivery. A worked example for each homework ensures that students keep on track with their work. The comprehensive glossary promotes the importance of mathematical literacy, and helps to avoid confusion later on. With the unique direct link throughout to the MyMaths site, your students will be able to receive valuable and familiar support in their written homework out of class - all helping to bring maths alive for your most able students.

Deliver the new KS3 Science National Curriculum with confidence in this revised and updated Teacher Pack 1.

Activate for AQA Intervention Workbooks are now available to support students following AQA's Key Stage 3 syllabus. Carefully designed self-assessment Intervention tasks tackle key concepts and identify areas for improvement and extension. A large variety of practice questions, activities, and checklists build skills and confidence throughout.
