Today, many believe the gospel is nothing more than the basics of Christianity - the first of many steps toward a victorious life of joy. The gospel of Christ is believed, accepted, and then laid aside as the believer searches for the abundant life. Do you remember the joy you felt when Jesus first saved you from your sin? Before you knew it, ministry programs, self-help principles, and moral mandates drew you away from the very gospel that first captivated you. Since then you have struggled to recapture that victory for living. Far too many believers experience this loss of vitality in their spiritual lives. In fact, this decline is so common that many say a declining passion is to be expected as a Christian matures! Even worse, because of our inept view of the gospel, many non-believers disregard the Bible's evidences of salvation, joining the millions of unfulfilled believers in a fruitless search for peace. In Reclaiming Victory: Living The Gospel, author Jason R. Velotta dispels the idea that salvation is just the doorway on the road toward victorious living. With an informative yet captivating style, Reclaiming Victory brings God's Word to the forefront, showing that the gospel itself is the victorious Christian life! Believers will find that the life of fulfillment is waiting at Calvary, exactly where we left it. Disregard the 'recovery' mindset, which has led to helplessness and apathy, for the gospel is not just the door to salvation...It is the source of the victorious Christian life! Your Savior is waiting...your fulfillment has always been in Him...Victory is already yours!
