"This workbook will help your child learn addition sums beyond 20."--cover.

This powerful Newbery-winning classic tells the story of the great coon dog Souder and his family. An African American boy and his family rarely have enough to eat. Each night, the boy's father takes their dog, Souder, out to look for food. The man grows more desperate by the day. When food suddenly appears on the table one morning, it seems like a blessing. But the sheriff and his deputies are not far behind. The ever-loyal Souder remains determined to help the family he loves as hard times bear down. This classic novel shows the courage, love, and faith that bind a family together despite the racism and inhumanity they face in the nineteenth-century deep South. Readers who enjoy timeless dog stories such as Old Yeller and Where the Red Fern Grows will find much to love in Souder, even as they read through tears at times.

Builds on early reading skills to help children master the reading and writing of phrases that combine similar-sounding consonant and vowel combinations in a volume that offers tracing and pronunciation games involving such example phrases as "grab the grape" and "ride the bike." Original.

Helps children who are starting to learn the alphabet grasp the differences between capital and lower-case letters, providing skill-building worksheets featuring colorful representative images, traceable capital letters and write-in spaces. Original.

"This workbook will help your child perform multi-digit subtraction with ease."--cover.

"Using the celebrated Kumon Method, this book helps to establish strong algebra skills, developed previously using the Pre-Algebra Workbook series. The topics covered in Algebra Workbook II include; solving equations, linear equations, solving inequalities and graphic linear equations."--

This workbook will help develop your child's ability to count and recognize numbers while continuing to build their fine motor skills. Through the use of stickering and other fun activities your child will learn to count numbers 1 through 10.
