Motivate and reward your students with the two highly acclaimed video series La Catrina and La Catrina: El último secreto. Filmed in Mexico with outstanding Mexican actors, both videos follow the journey of Jamie González as she searches for the secrets of her mysterious great-grandmother. The two videos integrate language with culture as students build both Spanish proficiency while expanding their cultural understanding. Both video series feature video on VHS and DVD, video workbooks with separate Teacher's Editions, and a novel.

The works of contemporary Mexican playwrights are becoming better known in the United States as professional theatre companies in New York and Los Angeles stage productions of their plays. Due to English translations like this one, American audiences can better appreciate the new Mexican dramaturgy of Elena Garro (The Tree), Carlos Olmos (Profane Games), Eduardo Rodríguez Solís (The Fickle Finger of Lady Death), and Victor Hugo Rascon Banda (Murder with Malice). The translations in this collection were commissioned by Teatro Dallas and the Puerto Rican Traveling Theatre and were staged recently in Dallas and New York.

What if we responded to death... by throwing a party? By the time Erica Buist's father-in-law Chris was discovered, upstairs in his bed, his book resting on his chest, he had been dead for over a week. She searched for answers (the artery-clogging cheeses in his fridge?) and tried to reason with herself (does daughter-in-law even feature in the grief hierarchy?) and eventually landed on an inevitable, uncomfortable truth: everybody dies. While her husband maintained a semblance of grace and poise, Erica found herself consumed by her grief, descending into a bout of pyjama-clad agoraphobia, stalking friends online to ascertain whether any of them had also dropped dead without warning, unable to extract herself from the spiral of death anxiety... until one day she decided to reclaim control. With Mexico's Day of the Dead festivities as a starting point, Erica decided to confront death head-on by visiting seven death festivals around the world - one for every day they didn't find Chris. From Mexico to Nepal, Sicily, Thailand, Madagascar, Japan and finally Indonesia - with a stopover in New Orleans, where the dead outnumber the living ten to one - Erica searched for the answers to both fundamental and unexpected questions around death anxiety. This Party's Dead is the account of her journey to understand how other cultures deal with mortal terror, how they move past the knowledge that they're going to die in order to live happily day-to-day, how they celebrate rather than shy away from the topic of death - and how when this openness and acceptance are passed down through the generations, death suddenly doesn't seem so scary after all.

Living Languages is simply bursting with practical and original ideas aimed at teachers and trainee teachers of foreign languages in secondary schools. Written by a team of experienced linguists, this book will inspire and motivate the foreign language classroom and the teachers who work within it. Living Languages comprises eight chapters and is structured around the integrated classroom, merging language learning with different aspects of the wider curriculum such as multimedia, theatre and music, celebrations and festivals, sport, and alternative approaches to teaching languages. A DVD is also included with the book containing additional teaching materials and the associated films and audio recordings which make this a fully developed and effective teaching resource. Twenty-eight real-life case studies and projects are presented, all of which have been tried and tested in the classroom with many having won recent educational awards. Ideas and activities outlined in this unique resource include: Languages and multi-media projects involving different uses of technology such as film-making, Digital Storytelling and subtitling in different languages; Languages and theatre and music including the work of the Théâtre Sans Frontières with its Marie Curie Science Project; Motivating pupils to learn languages whilst keeping fit including examples from Score in French, The German Orienteering Festival and Handball in Spanish; Continuing Professional Development to inspire secondary language teachers to continue their individual professional development. The chapter contains concrete examples of others' experiences in this area and includes details of support organisations and practical opportunities. Each project is explored from the teachers' perspective with practical tips, lesson plans and reflections woven throughout the text such as what to budget, how to organise the pre-event period, how to evaluate the activity and whom to contact for further advice in each case. Activities and examples throughout are given in three languages - French, German and Spanish.

Funny Bones tells the story of how the amusing calaveras-skeletons performing various everyday or festive activities-came to be. They are the creation of Mexican artist José Guadalupe (Lupe) Posada (1852-1913). In a country that was not known for freedom of speech, he first drew political cartoons, much to the amusement of the local population but not the politicians. He continued to draw cartoons throughout much of his life, but he is best known today for his calavera drawings. They have become synonymous with Mexico's Día de los Muertos (Day of the Dead) festival. Juxtaposing his own art with that of Lupe's, author Duncan Tonatiuh brings to light the remarkable life and work of a man whose art is beloved by many but whose name has remained in obscurity. The book includes an author's note, bibliography, glossary, and index.

Legendary travel writer Paul Theroux drives the entire length of the US-Mexico border, then goes deep into the hinterland, on the back roads of Chiapas and Oaxaca, to uncover the rich, layered world behind today's brutal headlines. Paul Theroux has spent his life crisscrossing the globe in search of the histories and peoples that give life to the places they call home. Now, as immigration debates boil around the world, Theroux has set out to explore a country key to understanding our current discourse: Mexico. Just south of the Arizona border, in the desert region of Sonora, he finds a place brimming with vitality, yet visibly marked by both the US Border Patrol looming to the north and mounting discord from within. With the same humanizing sensibility he employed in Deep South, Theroux stops to talk with residents, visits Zapotec mill workers in the highlands, and attends a Zapatista party meeting, communing with people of all stripes who remain south of the border even as their families brave the journey north. From the writer praised for his "curiosity and affection for humanity in all its forms" (New York Times Book Review), On the Plain of Snakes is an exploration of a region in conflict.

This edited volume focuses on Spanish use in education, public spaces, and social media in five macro-regions of the United States: the Southwest, the West, the Midwest, the Northeast, and the Southeast.

With heart-stopping thrills, a Walter White-esque villain, and a fascinating hero, Alex Gilly's Devil's Harbor is a thriller unlike any you have read before Nick Finn and his partner and brother-in-law, Diego Jiménez, are used to rough water. As Marine Interdiction Agents for Customs and Border Protection, the two hunt drug smugglers, human traffickers, and other criminals who hide in the vastness of the waters surrounding southern California. One night, Finn and Diego track a phantom boat off the Los Angeles coast, but it disappears before they can intercept it. They find a dead body in its wake, ravaged by sharks. Their investigation into the floater stalls when Finn is accused of using excessive force following the death of a suspected drug smuggler. Then Diego is murdered-and Finn is the number-one suspect. As he races to find the real killer and save his marriage, Finn is forced to partner with Linda Blake, the desperate captain of the Pacific Belle and mother of Lucy, a very sick little girl, to attempt the one thing he has devoted his life to stopping. In order to clear his name and save a child's life, Finn must smuggle narcotics by sea into the United States...and avoid the net that his CBP colleagues have cast for him.
