This revised second edition of Language and Media: provides students with a comprehensive and accessible overview of the field of Language and Media; covers traditional as well as emerging digital media genres and introduces a range of theoretical frameworks and analytical tools for analyzing them;

## Download Ebook Language And Media A Resource Book For Students Routledge

English Language and Media: A Resource Book for Students includes genre analysis, sociolinguistics, critical discourse analysis, mediated discourse analysis and multimodality; acquaints readers with the ways in which mediation and its materialities affect language use, explores what linguistic theories can teach us about media production and reception, and the ways different media formats are structured and used. The book emphasises the increasingly creative ways ordinary people are engaging in media production. It also addresses a number of urgent current concerns around media and media production/reception including fake news, clickbait, virality and surveillance. Written by three experienced teachers and authors, this accessible textbook is an essential resource for all students of English language and linguistics"--

Covers core areas of English language study. This book provides an
