Meanwhile, what started as an innocent office flirtation with a man named John Wayne (really), has now moved beyond illicit lunches and harmless text messaging, and is fast turning into erotic obsession. Sarah can't get John out of her head and she's plunging deeper into a double life. But which life is the lie? Torn between two men, and trying not to lose sight of her own dreams, Sarah writes a scandalously honest diary of one life-changing year, and faces the challenge of writing her own happy ending...

Still, how could he complain? It had taken Paul O'Brian five years to propose, and even then he'd made only occasional guest appearances in Sarah's bed! Briefly aroused by a luxury holiday, he'd since managed to father their adorable son, now three years old; otherwise the ring on Sarah's finger signified little more than a shrewd purchase. But now Paul had decided it was time to cut

Thrown into a state of denial, then self-doubt, followed by determination not to go under without a fight, Sarah is catapulted into an unforgettable last year of being married. Outrageously sexy, bitingly witty, uncompromisingly truthful...Sarah pulls no punches as she explodes the myth of happily ever after once and for all.

Brits aged 25-44 are now single. It's become the norm to remain solo until much later in life, given the average marriage ages of 35 (women) and 38 (men). Many of us are choosing never to marry at all. But society, films, song lyrics and our parents are adamant that a happy ending has to be couple-shaped. That we're incomplete without an 'other half', like a bisected panto pony. Cue: single sorrow. Dating like it's a job. Spending half our lives waiting for somebody-we-fancy to text us back. Feeling haunted by the terms 'spinster' or 'confirmed bachelor.' Catherine Gray

Wilson traces the history of the church's attitudes towards marriage and sexuality, from the early Church Fathers through the Reformation. In a series of direct interviews he probes how single people today feel within their church communities. His findings reveal that the vast majority of those questioned feel they are something of an embarrassing anomaly in communities that continue to prize marriage. Finally, Wilson begins to develop a framework for a more nuanced approach to the subject of sexuality and relationships, and suggests ways in which the church, as primarily a
