A focused, implementation-orientated, executive-level book on outsourcing by two globally known practitioners. The outsourcing market is booming, the total outsourcing market in EMA forecasts a \$59 billion dollar growth between 2004 and 2007. Fills a fills a major gap in the middle-high-end of the market - there is much need for a practical book on outsourcing. The authors are global authorities in this space. This book is not industry specific and will be valuable to professionals in all industries. Very-execution oriented. Very focussed: everything a busy executive needs to know and nothing more. Logical step-by-step approach.

Life doesn't look like it's supposed to for Dani Ruiz, a hopeless romantic. After a painful and sudden break-up with Rick Marin, Dani hides away from reality, retreating to a world of fiction where she prefers book boyfriends over the hassles of a relationship. Almost two years later, Dani's friends are tired of watching her in a holding pattern, so they stage an intervention, forcing her back into the real world of dating. Unexpectedly, Dani meets Liam Lucas, a down-to-earth firefighter. He might be the person to show her she's still worth something. Dani's hesitant to trust her heart with another man, but their instant and electric chemistry is something she can't deny. As Dani starts to believe that she's found her real-life book boyfriend, Rick decides that he'll go to any lengths to get her back. Seeing Rick as a changed man makes Dani question everything. Can Dani trust her patched-up heart with Liam? Or has Rick transformed into the man she's always wanted? Written from various points of views, The Do Over is a story of second chances and new beginnings.

A new collection of delightfully macabre tales from a master of horror manga. An old wooden mansion that turns on its inhabitants. A dissection class with a most unusual subject. A funeral where the dead are definitely not laid to rest. Ranging from the terrifying to the comedic, from the erotic to the loathsome, these stories showcase Junji Ito's long-awaited return to the world of horror. -- VIZ Media
