Revival starts with one person. You. Charles Finney—who shook up nineteenth-century America with his preaching, earned the title Father of Modern Revivalism, and became the forerunner of revivalists like Dwight L. Moody and Billy Graham—knew a thing or two about revival. And he claimed it began not in the emotion of the masses but in the repentance of the individual. This new journal edition of a spiritual classic invites readers to record their reflections, thoughts, and prayers in response to Finney’s fiery words on how to experience revival. As you let his message soak in and interact with your life, you might find revival to be closer to home than you ever expected.

After more than twenty years of revival ministry, America's greatest evangelist had accumulated knowledge of spiritual awakenings, their implications and excesses, perhaps exceeding that of almost anyone in Christian history. This aggregate wisdom on the subject was first presented to the reading public in the form of a series of 32 open letters, printed on the pages of the Oberlin Evangelist in 1845. Some were recently reproduced in a volume titled Revival Fire. But fifteen of the original letters did not find their way into that book. In your hands you have all thirty-two of the invaluable epistles of the incomparable preacher. - Back cover.
