inventor, most people know him only as Daniel Wing's little brother. A decade ago, Daniel was known as Day, the boy from the streets who led a revolution that saved the Republic of America. But Day is no longer the same young man who was once a national hero. These days he'd rather hide out from the world and leave his past behind. All that matters to him now is keeping Eden safe—even if that also means giving up June, the great love of Daniel's life. As the two brothers struggle to accept who they've each become since their time in the Republic, a new danger
