A tabletop roleplaying game about kung-fu elemental-magic wuxia action.

The epic Chinese classic and phenomenon published in the US for the first time! Featured in iO9's 2019 Fall Preview. Set in ancient China, in a world where kung fu is magic, kingdoms vie for power and the battle to become the ultimate kung fu master unfolds, an unlikely hero is born... in the first book in the epic Legends of the Condor Heroes series by the critically acclaimed master of the genre, Jin Yong. After his father—a devoted Song patriot—is

murdered by the Jin empire, Guo Jing and his mother flee to the plains of Ghengis Khan and his people for refuge. For one day he must face his mortal enemy in battle in the Garden of the Drunken Immortals. Under the tutelage of Genghis Khan and The Seven Heroes of the South, Guo Jing hones his kung fu skills. Humble, loyal and perhaps not always wise, Guo Jing faces a destiny both great and terrible. However, in a land divided—and a future largely unknown—Guo Jing must navigate love and war, honor and betrayal before he can face his own fate and become the hero he's meant to be. of Aether, it is only a matter of time before the world dies without the sustaining power of Grand Cornerstone. As an Eidolon--an immortal force of nature--your path is clear. Find the lost fragments of Grand Cornerstone and rebuild the world according to your own design. Mystic Empyrean is a roleplaying game of social character development, creation, and puzzle solving. Players must work together to rebuild the world from a few tattered remains, and then explore their own creations in order to find more pieces of the world. The player characters, Eidolons, are beings of immense power, granted a body of pure life energy and formed by the desires and designs of their hearts. Eidolons develop new powers based upon their personalities. To be consumed by greed will give an Eidolon the power to create gold with a touch. To be fearful and furtive will grant the power to dissolve into shadow. Traits develop

based upon how characters are role-played, rather than the assignment of experience or gaining of levels. This means that Eidolons will gain powers that reflect their actions and desires. In Empyrean, the game builds itself as you play. No GM is responsible for creating encounters in advance of the game. Instead, players use the tools presented in the game guide, as well as their own imaginations, to create an adventure that is wholly unique for every group. Visit the game's webpage at <http://www.mysticempyrean.com> for more information and downloads, as well as a free preview game to try before you buy.

Righteous Blood, Ruthless Blades is a roleplaying game of dark adventure and heroic thrills inspired primarily by the wuxia stories of Gu Long. Players assume the roles of eccentric heroes who solve mysteries, avenge misdeeds, uphold justice, and demonstrate profound mastery of the martial arts. Character creation is designed to produce fleshed-out, potent individuals who can follow several paths, including those of the physician, beggar, assassin, thief, soldier, bandit, and more. These characters inhabit a unique martial world, or Jianghu, set in a romanticized ancient China. The towns, temples, and inns the characters can visit, and the sects and factions with whom they interact, will bring their own character to the game and provide a host of opportunities – and threats. The game is based on a simple ten-sided dice pool mechanic, loosely modeled on the one found in Wandering Heroes of Ogre Gate, and play is designed

to be gritty, suspenseful, and fast, so the focus remains on solving mysteries and roleplaying your character. When combat does arise, it is consequential and swift, and often resolved in a single roll of the dice. This rulebook includes a sample martial world and a starting adventure, as well as guidelines for game masters looking to run wuxia games and create their own unique Jianghu, rife with martial experts, sects, and mysterious locations.

For so many around the world, it was in the cinema that they saw their first glimpse of martial arts. Through the films of Lau Kar Leung, among others, they came to appreciate the power and skill of many kung fu techniques. However devotees and practitioners of

kung fu and Hung Kuen were aware of the much longer tradition of these arts and in particular, the contribution of both the Lam family and the Lau family. In 2009 the Hong Kong Government endeavoured to identify and recognize forms of intangible cultural heritage. It was this awareness of a vibrant part of Hong Kong history and culture which led to the creation of the Hong Kong Martial Arts Living Archive, and from this the exhibition, Lingnan Hung Kuen Across the Century: Kung Fu Narratives in Hong Kong Cinema and Community. In the exhibition and this companion book, the histories of the Lam and Lau families are traced, and their role in preserving and creating new stances and forms and bringing Hung Kuen to a wider audience through the medium of film. Using the latest technologies including 3D imagery, the work of past masters has been here brought back to life.
