be true.” And they will go back to their old language learning methods. You know which methods: toiling away at mind-numbing grammar exercises, learning words nobody uses, and, most importantly, never actually using your skills to communicate with another person. If you’re still with me, I expect you to be different. You think there must be something better. After all, how could people master more than one foreign language in their lives if it usually takes a regular person several years just to learn the basics? The answer is simple – in one way or another, they follow the methods I share in *How to Learn Any Language in a Few Months While Enjoying Yourself*. They not only learn up to ten times faster than other people, they also have a lot of fun while doing it. *How to Learn Any Language in a Few Months While Enjoying Yourself* is for you if you want to learn: – without this one thing, you’ll never learn a new language in just a few months. Infallibility is a deeply misunderstood idea, within as well as  
outside the Catholic Church. It remains a subject of great theological  
debate, especially regarding papal infallibility and the ordinary  
magisterium of the Church. In *The Gift of Infallibility*, theologian  
James T. O'Connor clarifies the idea of infallibility. He provides a  
helpful translation of the "relatio" or official explanation by Bishop  
Gasser given at Vatican I, the Church council that defined the dogma  
of papal infallibility. Also included in this important volume is the  
first draft of chapter 4 of the dogmatic constitution *Pastor Aeternus*,  
as well as the final, official chapter of the constitution. The volume

concludes with a recently updated theological summary on the topic of infallibility by Father O'Connor. The Gift of Infallibility is immensely important for theologians and others who wish to understand the way by which the Holy Spirit safeguards the Church from error.
