“Like Curt Flood and

O'Bannon gave the

Schaap, ESPN
journalist and New

bestselling author In
2009, Ed O'Bannon,
once a star for the
1995 NCAA

Where To Download

Champion UCLA Bruins and a first-round NBA draft pick, thought he'd made peace with the NCAA's exploitive system of "amateurism."

College athletes generated huge profits, yet—training nearly full-time, forced to tailor coursework around sports, often

pawns in corrupt investigations—they saw little from those riches other than revocable scholarships and miniscule chances of going pro. Still, that was all in O'Bannon's past...until he saw the video game NCAA Basketball 09. As avatars of their

college selves—their likenesses, achievements, and playing styles—O'Bannon and his teammates were still making money for the NCAA. So, when asked to fight the system for players past, present, and future—and seeking no personal financial reward, but rather the

chance to make
college sports more
fair—he agreed to be
the face of what

Court Justice brings

also offering
O'Bannon's unique

today's NCAA recruiting scandals. From the basketball court to the court of law facing NCAA executives, athletic directors, and “expert” witnesses; and finally to his innovative ideas for reform, O'Bannon breaks down history's most important victory yet against the
