If you could have any animal's front teeth, whose would you choose? WHAT IF YOU HAD ANIMAL TEETH? takes children on a fun, informative, and imaginative journey as they explore what it would be like if their own front teeth were replaced by those of a different animal. Featuring a dozen animals (beaver, great white shark, narwhal, elephant, rattlesnake, naked mole rat, hippopotamus, crocodile, and more), this book explores how different teeth are especially adapted for an animal's survival. At the end of the book, children will discover why their own teeth are just right for them. And they'll also get a friendly reminder to take good care of their teeth, because they're the only teeth they'll ever have. Each spread features a photograph of the animal using its specialized teeth on the left and a humorous illustrated image of a child using that animal's teeth on the right.

Celebrating 30 years of the beloved classic Owl Moon from renowned children's book author Jane Yolen and Caldecott Medal-winning illustrator John Schoenherr! Late one winter night a little girl and her father go owling. The trees stand still as statues and the world is silent as a dream. Whoo-who-who, the father calls to the mysterious nighttime bird. But there is no answer. Wordlessly the two companions walk along, for when you go owling you don't need words. You don't need anything but hope. Sometimes there isn't an owl, but sometimes there is. Distinguished author Jane Yolen has created a gentle, poetic story that lovingly depicts the special companionship of a young child and her father as well as humankind's close relationship to the natural world. Wonderfully complemented by John Schoenherr's soft, exquisite watercolor illustrations, this is a verbal and visual treasure, perfect for reading aloud and sharing at bedtime.
