When Lewis was 51 years old and long established at Magdalen College, Oxford, he wrote the first of this collection of letters to an American widow. She was described as a "very charming, gracious, southern aristocratic lady who loved to talk and speak well". In them are his antipathy to journalism, advertising, snobbery, psychoanalysis, and the petty practices that sap freedoms. They identify events in his life after 1950 including his marriage to Joy Davidman and her death three years later.

C. S. Lewis is one of the most influential and beloved Christian writers of the past century, and interest in him continues to grow as books about his fantasy, fiction, and biography continue to appear. Although Lewis's personal journey was a deeply philosophical search for the most adequate worldview, the few extant books about his Christian philosophy focus on specific topics rather than his overall worldview. In this book, Michael Peterson develops a comprehensive framework for understanding Lewis's Christian worldview—from his arguments from reason, morality, and desire to his ideas about Incarnation, Trinity, and Atonement. All worldviews address

fundamental questions about reality, knowledge, human nature, meaning, and so forth. Peterson therefore examines Lewis's Christian approach to these same questions in interaction with other worldviews. Accenting that the intellectual strength and existential relevance of Lewis's works rest on his philosophical acumen as well as his Christian orthodoxy--which he famously called "mere Christianity"--Peterson skillfully shows how Lewis's Christian thought engages a variety of important problems raised by believers and nonbelievers alike: the problem of evil and suffering, the problem of religious diversity, the problem of meaning, and others. Just as Lewis was gifted in communicating philosophical ideas and arguments in an accessible style, Peterson has crafted a major contribution to Lewis scholarship presented in a way that will interest scholars and benefit the general reader.
