Use it to identify your weaknesses, and then go back to those sections for more study. It's that easy! The only review-as-you-go workbook for the New York State Regents exam.

This high school classroom supplement to the main biology text prepares students in New York State to succeed on the Regents Exam. It presents a subject review, practice ques-tions with answers, and two complete Regents Biology Exam with answer keys. When combined with Barron's Regents Exams and Answers, Biology, it provides students with the most comprehensive test preparation available anywhere. Topics reviewed include ecology, biological organization, formation and structure of the ecosystem, and the interaction between human beings and the biosphere.

Learn the Secret to Success on the Living Environment Regents Exam! Ever wonder why learning comes so easily to some people? This remarkable book reveals a system that shows you how to learn faster, easier and without frustration. By mastering the hidden language of the exam, you will be poised to tackle the toughest of questions with ease. We've discovered that the key to success on the Living Environment Regents test lies with mastering the Insider's Language of the subject. People who score high on their exams have a strong working vocabulary in the subject tested. They know how to decode the exam vocabulary and use this as a model for test success. People with a strong Living Environment Insider's Language consistently: Perform better on the Living Environment Regents Exam Learn faster and retain more information Feel more confident in their preparation Perform better in class Gain more satisfaction in learning The Living Environment Regents Exam Success Guide is different from traditional review books because it focuses on the exam's Insider's Language. It is an outstanding supplement to a traditional review program. It helps your preparation for the exam become easier and more efficient. The strategies, puzzles, and questions give you enough exposure to the Insider Language to use it with confidence and make it part of your long-term memory. The Living Environment Regents Exam Success Guide is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success on the Living Environment Regents exam!After nearly 20 years of teaching Lewis Morris discovered a startling fact: Most students didn't struggle with the subject, they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the "Insider's Words". When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of Books and applications to teach this "Insider's Language" to students around the world.Our books and applications are helpful to any student. They are especially helpful to struggling students, English language learners, and students beginning a course of study. The strongest students will also enjoy the puzzle and game aspect of the books. In all cases, the books provide an enjoyable break from the tedious and mundane experience of traditional test preparation. Get your copy today! N.B. When viewing our workbooks on a digital device such as a Kindle, we highly recommend the use of a PDF mark-up software such as Squid® as it will make the experience much more effective and enjoyable.
