11 a.m. Each visit includes a 30-minute information session presented by an Admission Counselor followed by a 90-minute walking tour of LMU.

Renewing the Mind includes an introductory essay on the history and renewal of Catholic education, followed by 38 selections each with an introduction, biography, and study questions; adorning the text throughout are illustrations from the National Gallery of Art. Educators of children and college students will find this an essential guide to the best of what has been said about what it means to be conformed to the mind of Christ.

When it was first published in 1997, The Course Syllabus became the gold standard reference for both new and experienced college faculty. Like the first edition, this book is based on a learner-centered approach. Because faculty members are now deeply committed to engaging students in learning, the syllabus has evolved into a useful, if lengthy, document. Today's syllabus provides details about course objectives, requirements and expectations, and also includes information about teaching philosophies, specific activities and the rationale for their use, and tools essential to student success.
