In this challenging and provocative book, Tom Frame, one of Australia's best - known writers on religion and society, examines diminishing theological belief and declining denominational affiliation. He argues that Australia has never been a very religious nation but that few Australians have deliberately rejected belief - most simply can't see why they need to be bothered with religion at all. He contends that vehement campaigning against theistic belief is the product of growing disdain for religious fundamentalism and a vigorous commitment to personal autonomy. *Losing My Religion* contends that God is certainly not dead but that Australia's religious landscape will continue to change as the battle for hearts, minds and spirits continues. Published on the sesquicentennial of the first release of Charles Darwin's *On the Origin of Species* (1859), this book will provoke debate about what matters to Australians.

‘ Every whisper that escapes the lips is accompanied with a fear that runs all over. ’ What started out as a piece written for a recitation spurred into a series of poems; a medium of expressing opinions and emotions. *Looking Glass Self* is a collection of 40 poems that hopes to instil a burning questioning in its readers. It questions existing beliefs and ideals and is a journey of introspection; each step undertaken with the willingness to muddy the waters. It speaks of reading between the lines and sullyng already murky paths. After all, beauty is only skin deep. ‘ They say that the pen is mightier than the sword, However, I believe that thought is the true overlord. ’

I ' m Rivanah Bannerjee, 23/F/Mumbai. Some of you might already know how my life is on a razor edge. Those of you who don ' t, just know this: I may be killed soon . . . by the Stranger. I don ' t know who or what he is: a ghost, a person or a figment of my imagination? All I know is he isn ' t just one thing: he is sexy and scary, terrific and terrifying. What I don ' t understand is why a young, harmless girl like me, who works in a big city, stays away from her parents and has a screwed-up love life, would be of any interest to him. Unless there is something about my own story that I do not know . . . In the hotly anticipated final instalment of the Stranger trilogy, Rivanah will learn the answers to her many questions—What is it that binds her to the dead Hiya? Who is the Stranger? Why has he been following her all this while?—leading to an intense, breathtaking climax.
