she weaseled her way into my life. She has become my everything—my reason for existing—my reason for breathing. I love the ever-loving crap out of Angel Eyes. There is nothing I wouldn't endure for her—even college.College. Ugh.I hope the frat boys, the jocks, and the nerds are prepared for what is about to embark on their school this fall. Half-demons. Hunters. And um, the Keystone? Yeah, that is going to take getting used to.We aren't exactly your average freshman. And somehow I find myself stuck with a bunch of troublesome females to look after. Angel. Emma. Lexi. Pretty sure I got the raw end of the stick.But that isn't the worst of it. There is someone lurking in the shadows—spying and stalking my girlfriend. He is a dead man. How many people am I going to

Online Library Loving Angel Divisa 4 JI Weil

have to kill for this girl? A better question would be how many people wouldn't I kill for her? As many as it took. Angel is about to experience betrayal of the worst kind. And this time, it's not entirely my fault—shocker.

A teenage girl moves to Spring Valley, Illinois and ends up with neighbors, a family of Divisa's, half-demon, half-human people. Before long, ugly, nasty beings from Hell are on her trail and out to get her.

This book includes all 5 novels of the bestselling Divisa Series, and is over 700 pages of romance, teenage angst, and paranormal adventure. Enter the Divisa World! Angel Morgan was positive her life ended the day she moved to the ho-dunk town of Spring Valley, Illinois. The internet service

Online Library Loving Angel Divisa 4 JI Weil

was splotchy, there was nothing but miles of wheat fields, and her house was older than dirt. Everything was looking gloomy, until she got an eyeful of her new neighbor. There was only one way to describe him-hot as hell. With his sinful dark looks, unusually silver eyes, and kissable lips, there was something more about Chase Winters than meets the eye. Angel was about to find out how very different Spring Valley was. Thousands of copies sold, millions of pages read, and 250+ five-star reviews. Chase Winters was the bane of my existence. But he was also the lifeline of my heart and soul. Literally. Things were steaming up between us, and between the sheets. When his lips weren't locked with mine, they were spewing verbal crap. Half the time I don't know whether to kiss him or slap him. Our bond was more than just being connected, we were soulbond. The closer we got, the stronger the

Online Library Loving Angel Divisa 4 JI Weil

bond takes hold, and now-a-days it seemed we were inseparable. There was a new addition to our little town, one that has all the Divisa's on guard - a hunter has taken up residency. This hunter was not just another threat, not when their identity hit so close to home. Strife divides my neighbor's household surrounding this supposed enemy. Could they be friend or foe? Chase's number one priority in all this as always, was to keep me safe. Regardless of what Chase thought, I was not the weak and fragile human they all thought I was. And there was nothing I wouldn't do to keep Chase from harm. He might drive me up a freaking wall, but he was my pain in the ass. I wasn't about to sit back and let some hunter fire an arrow through his heart. Not if I could help it. Then there was the one question that was

Online Library Loving Angel Divisa 4 JI Weil

on everyone's mind: Will the hunter kill us or save us...

"Chase Winters is one of a kind. That doesn't mean he still doesn't get on my nerves more days than not, but his arrogance is starting to be sexy. Together our bond grows stronger, and so do we. Just as we hurdle one obstacle, two or three more pop up. Go figure. It isn't enough that Emma once again hates our guts, now Travis has decided to go all demon-zoid on us. I could hardly blame him though; he had lost the girl of his dreams--again. After everything that we have endured, I am not the same girl anymore. Not since the day I met Chase. The icing on the cake--there is a new player in town, and he is not human. Hell has decided to pay Spring Valley a visit, and Chase and I are

Online Library Loving Angel Divisa 4 JI Weil

their first stop. Our quiet little town [is] about to shatter. Of course there is also our rare bond to factor into all of this, and the pesky last piece. Or maybe it isn't as pesky as it is combustible. Soul. Heart. Body. Oh dear God..."--Page 4 of cover.

The war between Hell and Earth is about to commence. But first, Chase must save the girl he loves. Hell should have killed Chase Winters when it had the chance. Now, it's too late. He is coming for them-all of them. And he won't stop until he gets what he wants. Angel. Chase will be damned before he lets Hell take the only thing that matters in his life. Angel Morgan is as feisty as ever-more so. She is embracing the darker side of being other than human. The line between good and bad has blurred,

Online Library Loving Angel Divisa 4 JI Weil

and even if Chase can find a way to bring her back, that kind of betrayal leaves nasty scars. In the most sensual and action-packed installment yet, the world is crumbling down around them, and the stakes are higher than ever. They must do whatever it takes to rid Earth of demons. One thing is clear. Their love will either save them or destroy them all. No matter the outcome, lives will never be the same.

Travis's blood on her hands?

New York's social darling just woke up in a nightmare: Oklahoma. Problem is, it's right where God wants her. Bella Kirkwood had it all: A-list friends at her prestigious private school, Broadway in her backyard, and Daddy's MasterCard in her wallet. Then her father, a plastic surgeon to the stars, decided to trade her mother in for a newer model. When Bella's mom falls in love with a man she met on the Internet--a factory worker with two bratty sons--Bella has to pack up and move in with her new family in Truman, Oklahoma. On a farm no less! Forced to trade her uber-trendy NYC lifestyle for down-home charm, Bella feels like a pair of Rock & Republic jeans in a sea of Wranglers. At least some of the people in her new

high school are pretty cool. Especially the hunky football player who invites her to lunch. And maybe even the annoying--but kinda hot--editor of the school newspaper. But before long, Bella smells something rotten in the town of Truman, and it's not just the cow pasture. With her savvy reporter's instincts, she is determined to find the story behind all the secrets. How can a girl go on when her charmed life is gone and God appears to be giving her the total smackdown?

The end is near. But will Olivia be able to save her dragons and the home she has come to love? Return to the Veil in the epic conclusion to the Dragon Descendants. An unexpected reunion brings new possibilities to Olivia's quest of finding the dragon stars. She and the four dragons travel to Iculon, a
