Testing Strategies for the NCLEX-PN Examination chapter addresses the challenges of the Next Generation NCLEX® and provides targeted strategies for success. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. More than 2,000 review questions on the companion Evolve website are available in both study and quiz modes and separated by content area, allowing customized review based on personal study needs. Examples of Next Generation NCLEX-style questions on the companion Evolve website familiarize you with these new types of questions. Answers and rationales are provided for all review questions. Test Alert! boxes highlight key concepts frequently found on the NCLEX examination. Alternate item format questions on the companion Evolve website prepare you for these question types on the NCLEX examination. UNIQUE! Appendices for each chapter summarize medications and nursing procedures for quick reference. Nursing Priority boxes make it easier to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders and identify content on self-care and home care. A separate chapter on pharmacology and medication administration helps you focus on this area of emphasis on the NCLEX examination.

Lippincott Review for NCLEX-PN, 11E is designed to help pre-licensure nursing students in practical and vocational nursing programs prepare to take the licensing examination. More than 2,000 questions span all areas of nursing practice. Seventeen specialty tests contain questions across all the Client Need categories of the NCLEX-PN. A two-part Comprehensive Examination contains 263 items--more than the maximum of 205 questions asked on the NCLEX-PN--to provide an outlet for comprehensive review and test practice. Every test section concludes with a review of Correct Answers, Rationales, and Test Taking Strategies. A detailed section of Frequently Asked Questions provides details about the design and process of the NCLEX-PN, as well as tips for students on how to prepare. Questions fully align with the National Council of State Boards of Nursing (NCSBN) 2017 PN test plan and are written in the style used on the licensing examination, including the use of all the types of alternate-format questions found on the licensing examination. A free trial of PassPoint PN provides book purchasers an opportunity to practice with additional questions and gives a sneak preview of the full PassPoint PN product.
