students to some basic skills and strategies for academic reading. Students then practice these skills in high-interest thematic units, each of which has multiple readings. The readings are written in an accessible academic discourse style, providing ideal practice for low-intermediate-level students who will eventually need to access authentic academic text.

This comprehensive reading text was designed especially for academically and professionally oriented students. The activities provide a wide variety of

This edition is fully updated to give students the support they need to master more than 7,000 words and phrases in American English. Following the popular in Use format, new language is taught in manageable two-page units with presentation of vocabulary on the left-hand page and innovative practice activities on the right. Suitable for self-study or classroom use, the books are informed by the Cambridge International Corpus to ensure vocabulary taught is useful, up-to-date, and presented in a natural context.
