Which is where Making Marriage Work For Dummies comes in. Drawing on their experiences with thirty years of marriage, during which they raised three children, as well as decades of couples counseling, experts Steven and Sue Simring show you how to build a strong, happy and long-lasting marriage.

The inspiration for countless one-liners, witty sayings, stage farces and not a few murder mysteries, marriage is more than just a relationship between two people. It's one of life's biggest adventures and a healthy marriage can be one of life's greatest gifts. But weathering the stresses and strains of married life and maintaining healthy marital bonds over a span of decades takes work, and sometimes you need help from a friendly expert. Which is where Making Marriage Work For Dummies comes in. Drawing on their experiences with thirty years of marriage, during which they raised three children, as well as decades of couples counseling, experts Steven and Sue Simring show you how to build a strong, happy and long-lasting marriage. They offer priceless tips on how to deal with most problems that come up between married couples, and they offer advice on how to: Make your relationship more romantic Work out big and small differences Argue in ways that strengthen you relationship Resolve disputes over money Cope with mid-life change Handle a spouse who cheats Deal with families and in-laws Reduce stress on your marriage Understand your partner's annoying habits and quirks Balance careers and family goals Seek professional help when you need it Illustrating their points with insightful, often amusing anecdotes from their own marriage and from the marriages of hundreds of couples they've counseled over the years, the Simrings explore such crucial topics as: Deciding if marriage is right for you Six common marriage myths Understanding the roots of marital problems Communicating with your partner The do's and don'ts of fair marital fighting Making marriage sexy Examining the marriage life cycle Ideas for resolving money differences Succeeding with remarriage Filled with ideas you can use now to keep your marriage as strong as the day you took your vows, this is a survival guide for everyone committed to making marriage work.

Drawing on groundbreaking research into the dynamics of healthy relationships, a study of the basic principles that make up a happy, long-lasting marriage shares easy-to-understand, helpful advice on how to cope with such issues as work, children, money, sex, and stress. 35,000 first printing. Tour.

Just as Masters and Johnson were pioneers in the study of human sexuality, so Dr. John Gottman has revolutionized the study of marriage. As a professor of psychology at the University of Washington and the founder and director of the Seattle Marital and Family Institute, he has studied the habits of married couples in unprecedented detail over the course of many years. His findings, and his heavily attended workshops, have already turned around thousands of faltering marriages. This book is the culmination of his life's work: the seven principles that guide couples on the path toward a harmonious and long-lasting relationship. Straightforward in their approach, yet profound in their effect, these principles teach partners new and startling strategies for making their marriage work. Gottman helps couples focus on each other, on paying attention to the small day-to-day moments that, strung together, make up the heart and soul of any relationship. Being thoughtful about ordinary matters provides spouses with a solid foundation for resolving conflict when it does occur and finding strategies for living with those issues that cannot be resolved. Packed with questionnaires and exercises whose effectiveness has been proven in Dr. Gottman's workshops, The Seven Principles for Making Marriage Work is the definitive guide for anyone who wants their relationship to attain its highest potential. The Seven Principles for Making Marriage Work is the result of Dr. John Gottman's many years of closely observing thousands of marriages. This kind of longitudinal research has never been done before. Based on his findings, he has culled seven principles essential to the success of any marriage. Maintain a love map. Foster fondness and admiration. Turn toward instead of away. Accept influence. Solve solvable conflicts. Cope with conflicts you can't resolve. Create shared meaning. Dr. Gottman's unique questionnaires and exercises will guide couples on the road to revitalizing their marriage, or making a strong one even better.

"Follow the advice of the top romance specialist, and you can't go wrong." —Woman's World "She's interviewed with Oprah and Phil Donahue. Time, the New York Times, USA Today, the Washington Post, Redbook and Cosmopolitan. Clearly Dr. Kate engages in no false advertising—she's a nationally acclaimed relationship expert." —Chicago Tribune Let's face it, making a relationship work takes patience, perseverance, energy, and an unflagging commitment to maintain a happy healthy relationship. And sometimes, it takes a little help from a wise and knowledgeable friend. Written by celebrated psychologist-machmaker, Dr. Kate Wachs, Relationships For Dummies is a source of inspiration and ideas on how to find and keep a healthy relationship. Whether you've just started dating or have been together with that special someone for years, Dr. Kate can help you: Tell the difference between a healthy and an unhealthy relationship Have a more loving, fun-filled relationship Enjoy a more vibrant and satisfying sex life Work through most relationship problems Find the positive and the fun in every relationship stage Dr. Kate explodes common relationships and compatibility myths that cause people grief, and with the help of insightful quizzes, case studies, and real-life America Online letters Dr. Kate covers all the bases, including: Finding that special someone and knowing if it's really Mr. or Ms. Right Pacing and nurturing intimacy in the early stages of a relationship When, where, how, and with whom to have sex when dating Knowing when and if it's time to move in together When and if to get married Keeping psychological and emotional intimacy alive Keeping physical and sexual intimacy alive From compatibility to communication, commitment to connecting in the bedroom, Relationships For Dummies is your total guide to having the relationships you want and deserve.

"Solid advice for newlyweds, golden anniversary celebrants and everybody in-between" from the Marriage Boot Camp and former Divorce Court star (The Augusta Chronicle). As the judge starring on two hit television shows, Lynn Toler has witnessed, en masse, the thematic mistakes made in American marriages. She herself has also been wed for more than 30 years and has seen both the highs and lows of matrimony in her own marriage as well as the marriages of those close to her. Drawing from both her professional career and personal life, Toler sees that the biggest impediment to marriage these days is that couples decide to take the plunge based almost entirely on the most irrational criteria: falling in love. Making Marriage Work doesn't suggest that love has nothing to do with marriage at all; rather, Toler says that love by itself is simply not enough to make marriages survive. Marriage, Toler says, is a job, and it needs to be treated like one. This updated manual suggests specific procedures that should be put in place to bridge the gap between head over heels and happily ever after. It explains how to phrase things in order to span the great hormonal divide men and women often fall into when trying to talk to one another. It also discusses the very new and real challenges to marriage created in a culture often overwhelmed by the emphasis on (and ability to attain) instant gratification. Replete with simple, no-nonsense rules, Divorce Court anecdotes, and stories about Judge Toler's own union, Making Marriage Work contains invaluable information couples can use today to secure their marital tomorrow.

Previously published as Help Me, I'm Married, MAKING MARRIAGE WORK offers Joyce's insights on how to make a marriage succeed, thrive, and bless the lives of entire families. Joyce shares with married couples how God can transform a marriage. Whether newly wed, happily married, in a marriage crisis, or just in a relationship rut, Joyce's principles will help energize and revitalize a relationship. Discover how to: Take the focus off yourself and your spouse and look to the Lord Unleash powerful truths from God's Word for you and your marriage Understand the opposite sex Overcome roadblocks to a triumphant marriage Live successfully with an insecure person Create peace and order in your heart and in your home. Joyce's practical, how-to advice will guide couples along the path to releasing God's power on their lives, and in their marriage.

By the end of World War I, the skyrocketing divorce rate in the United States had generated a deep-seated anxiety about marriage. This fear drove middle-class couples to seek advice, both professional and popular, in order to strengthen their relationships. In Making Marriage Work, historian Kristin Celello offers an insightful and wide-ranging account of marriage and divorce in America in the twentieth century, focusing on the development of the idea of marriage as "work." Throughout, Celello illuminates the interaction of marriage and divorce over the century and reveals how the idea that marriage requires work became part of Americans' collective consciousness.

Staying happily married has become a difficult proposition in recent times. Although the institution is still firmly embedded in our culture, divorce rates have steadily climbed since the 1960s. While some marriages are truly divorce-worthy, many other broken marriages can be saved. Recent emphasis on personal needs and greater social acceptance of divorce and alternative lifestyles may have weakened the resolve of partners to work through their problems. Furthermore, many couples may not realize that problems in their current marriages are likely to surface in other relationships. Consequently, while they may consider divorce a solution, it may in fact only be a stepping stone to the next relationship where patterns may repeat. Solving marital differences can be difficult. They tend to be linked to or caused by other problems, and that can make it hard to identify the real reasons for conflicts. Without knowing the true nature of their problems, couples cannot arrive at solutions that actually work. To understand the underlying issues that plague many marriages, the authors look to the research conducted on the subject over the past fifty years and to real life stories of success and failure to outline the major issues that detract from marital stability. Drawing on Louis Primavera's twenty-five years in private practice as a marriage counselor, each chapter is peppered with anecdotes that every married person can relate to, and that help bring issues to life. The authors also propose frank and honest solutions that can help couples have more satisfying relationships. Anyone looking to improve their marriage will find suggestions for sussing out the underlying problems they may be experiencing and guidance for addressing those problems.

By the end of World War I, the skyrocketing divorce rate in the United States had generated a deep-seated anxiety about marriage. This fear drove middle-class couples to seek advice, both professional and popular, in order to strengthen their relationship

A practical, down-to-earth guide to using the world's most successful approach to couple therapy One of the most successful therapeutic approaches to healing dysfunctional relationships, emotionally focused couple therapy provides clients with powerful insights into how and why they may be suppressing their emotions and teaches them practical ways to deal with those feelings more constructively for improved relationships. Unlike cognitive-behavioural therapy, which provides effective short-term coping skills, emotionally focused therapy often is prescribed as a second-stage treatment for couples with lingering emotional difficulties. Emotionally Focused Couple Therapy For Dummies introduces readers to this ground-breaking therapy, offering simple, proven strategies and tools for dealing with problems with bonding, attachment and emotions, the universal cornerstones of healthy relationships. An indispensable resource for readers who would like to manage their relationship problems independently through home study Delivers powerful techniques for dealing with unpleasant emotions, rather than repressing them and for responding constructively to complex relationship issues The perfect introduction to EFT basics for therapists considering expanding their practices to include emotionally focused therapy methods Packed with fascinating and instructive case studies and examples of EFT in action, from the authors' case files Provides valuable guidance on finding, selecting and working with the right EFT certified therapist
