Maktub means “It is written” in Arabic. The concept of maktub and determinism are greatly incorporated in Islam. “Determinism is the philosophical view that, given certain initial conditions, everything that ensues is bound to happen as it does and in no other possible way; thus,nothing in nature is contingent, nor is there any room for human freedom”(Marcoulesco, 1399).

Maktub (que quiere decir «está escrito») es una selección de los artículos de Paulo Coelho publicados en el periódico brasileño Folha de S. Paulo entre junio de 1993 y junio de 1994. Según el autor, «no es un libro de consejos, sino un intercambio de experiencias», una excelente ocasión para reflexionar y reencontrarse con uno mismo.

Es, por lo tanto, un libro para reflexionar y para, al mismo tiempo, conocernos nosotros mismos porque es la propia reflexión la que nos conduce hacia nuestra esencia humana. Maktub significa ¿está escrito? por lo que nos incita a que reflexionemos sobre nuestro destino pero también a que sepamos apreciar las bondades que se esconden detrás de las cosas, que a primera vista, parecen banales o insignificantes. Coelho nos lo enseña a partir de breves fragmentos de una hoja, un total de 177, en la que se recogen sus enseñanzas.??Por el escenario de Maktub se interpretan otros pasajes bíblicos, pero también episodios históricos y situaciones comprometidas, y en ellos desfilan personajes tan diversos en el tiempo como Borges, Miguel Ángel, Nietzsche, Bernard Shaw, Picasso, Napoleón, Schopenhauer, el filósofo Aristipo, el científico Roger Penrose, el psiquiatra Viktor Frank. Los ermitaños, monjes, rabinos y peregrinos son asimismo frecuentes en los textos.??El libro titulado Maktub, escrito por Paulo Coelho, se compone de una colección de crónicas escritas entre 1993 y 1994 en la Folha de S. Paulo. Este trabajo contiene parábolas y textos de otros autores, y afirma que el universo conspira a nuestro favor, y en muchas

Translation and commentary from the Maktubat of Imam Rabbani Ahmad Faruqi Sirhindi

The book is a mixture of romance, true love, sex, and drugs. I wrote it by real events from my life. Many people will be able to identify with the characters in the story as they deal with life questions. I was sure about two things. I believed in love at first sight as I fell for Lucas the moment I laid my eyes on him. His brother Michael felt the same way about me. It was a warm April night when Kelly and Natasha decided to go to a local pub. While sipping their favorite wine, two mysterious men entered. Kelly instantly felt a sudden connection with one of them. Lucas was the most handsome man she had ever seen in her life. She was stunned and hypnotized by him. Unfortunately, nothing could help her deal with such a manipulative man. Michael, his older brother, was completely different and truly loved Kelly. He was attentive and caring while Lucas was passionate and rough. She found herself entangled in a love triangle between the two brothers. Would she go to Lucas whom she idealized or retreat to Michael who was simple but an honest man? The plot thickens when Lucas suffers a horrific accident which leaves everyone in town speechless. Kelly seeks comfort in Michael but never lets go of Lucas completely.

Maktub: It Is Written is the follow-up to "Lust, Life, Love," and is another collection of poetry by author, Marquis D. Bynum. Holding to his previously consistent themes of love, relationships, and the often unmentionable aspects of daily life and struggle, Maktub: It Is Written captures a deep expression of raw and very real emotions through a very genuine interpersonal and interconnected voice. Central to its motif is the idea that Maktub is an anthology for life; individual stories of collective struggle and success and ultimately the obtainment of one's dreams.
