Nobel Peace Prize winner and New York Times bestselling author Malala Yousafzai's first picture book, inspired by her own childhood. Malala's first picture book will inspire young readers everywhere to find the magic all around them. As a child in Pakistan, Malala made a wish for a magic pencil. She would use it to make everyone happy, to erase the smell of garbage from her city, to sleep an extra hour in the morning. But as she grew older, Malala saw that there were more important things to wish for. She saw a world that needed fixing. And even if she never found a magic pencil, Malala realized that she could still work hard every day to make her wishes come true. This beautifully illustrated volume tells Malala's story for a younger audience and shows them the worldview that allowed Malala to hold on to hope even in the most difficult of times. "This is a wonderful read for younger students that will also provide insight and encourage discussion about the wider world. ... The simplicity of Yousafzai's writing and the powerful message she sends, make this book inspirational for all." -- School Library Journal

A chapter book edition of Nobel Peace Prize winner Malala Yousafzai's bestselling story of courageously standing up for girls' education. Malala's memoir of a remarkable teenage girl who risked her life for the right to go to school is now abridged and adapted for chapter book readers. Raised in a changing Pakistan by an enlightened father from a poor background and a beautiful, illiterate mother, Malala was taught to stand up for what she believes. Her story of bravery and determination in the face of extremism is more

timely than ever. In this edition, Malala tells her story in clear, accessible language perfect for children who are too old for Malala's Magic Pencil and too young for her middle-grade memoir. Featuring line art and simplified back matter, Malala teaches a new audience the value of speaking out against intolerance and hate: an inspiring message of hope in Malala's own words.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

The inspiring true story of Malala Yousafzai, human rights activist and the youngest ever winner of the Nobel Peace Prize, from debut author/illustrator Lina Maslo. Celebrate the power of one young woman speaking up for change with *Free as a Bird*. This beautiful nonfiction picture book is perfect for sharing at home or in the classroom. When Malala Yousafzai was born, some people shook their heads because girls were considered bad luck. But her father looked into her eyes and knew she could do anything. In Pakistan, some believed girls should not be educated. But Malala and her father were not afraid. She secretly went to school and spoke up for education in her country. And even though an enemy tried to silence her powerful voice, she would not keep quiet. Malala traveled around the world to speak to girls and boys, to teachers, reporters, presidents, and queens—to anyone who would listen—and advocated for the right to education and equality of opportunity for every person. She would shout so that those without a voice could be heard. So everyone could be as free as a bird. *Free as a Bird* is the inspiring true story of a fearless girl and the father who taught her to soar. A unique way to celebrate the power of a young woman, and to honor a father who strives to let his daughter shine.

In this powerful book, Nobel Peace Prize winner and New York Times bestselling author Malala Yousafzai introduces the people behind the statistics and news stories about the millions of people displaced worldwide. After her father was murdered, María escaped in the middle of the night with her mother.

## Acces PDF Malalas Magic Pencil

Zaynab was out of school for two years as she fled war before landing in America. Her sister, Sabreen, survived a harrowing journey to Italy. Ajida escaped horrific violence, but then found herself battling the elements to keep her family safe. Malala's experiences visiting refugee camps caused her to reconsider her own displacement — first as an Internally Displaced Person when she was a young child in Pakistan, and then as an international activist who could travel anywhere in the world except to the home she loved. In *We Are Displaced*, Malala not only explores her own story, but she also shares the personal stories of some of the incredible girls she has met on her journeys — girls who have lost their community, relatives, and often the only world they've ever known. In a time of immigration crises, war, and border conflicts, *We Are Displaced* is an important reminder from one of the world's most prominent young activists that every single one of the 68.5 million currently displaced is a person — often a young person — with hopes and dreams. "A stirring and timely book." —New York Times

Malala Yousafzai was a girl who loved to learn but was told that girls would no longer be allowed to go to school. She wrote a blog that called attention to what was happening in her beautiful corner of Pakistan and realized that words can bring about change. She has continued to speak out for the right of all children to have an education. In 2014 she won the Nobel Peace Prize.

Let Her Fly traces the inspirational journey of Malala Yousafzai's father, Ziauddin, from a boy in Shangla to

## Acces PDF Malalas Magic Pencil

a man who broke with tradition and proves there are many faces of feminism. With humor and sincerity, Yousafzai describes his life before the Talibanization of Mingora, scenes of his sons Khusal and Atal fighting kites on the roof, his progressive partnership with his wife Toor Pekai, and the challenge of raising children in an unfamiliar country. After Malala was shot by the Taliban, the Yousafzai family was completely uprooted from their home in the Swat Valley and forced to start over in the United Kingdom. Now, Ziauddin expresses the complex pain and joy of his return, six years later, to the site of Malala's attack. *Let Her Fly* is an intimate family portrait by the father of one of the most remarkable leaders in the world today. Ziauddin and Toor Pakai have set a singular example for parents who hope to empower their children to make a difference. *Let Her Fly* will resonate with anyone who has ever cared for a child, as Ziauddin Yousafzai shares what he's learned from his children, and what he hopes to teach the world.

She grew up in a world where women were supposed to be quiet. But Malala Yousafzai refused to be silent. She defied the Taliban's rules, spoke out for education for every girl, and was almost killed for her beliefs. This powerful true story of how one brave girl named Malala changed the world proves that one person really can make a difference.
