and balance. Art of Peace and Relaxation Workbook: This workbook contains over 130 exercises in the form of surveys, questionnaires, inventories, and journal entries, to help students make some or all of these stress-reducing skills part of their daily routine, and achieve balance.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Practical Stress Management is a focused, personal, worksheet-based text that combines theory and principles with hands-on exercises to help you manage the negative impact of stress in your life. The Sixth Edition has been completely updated and provides students with online access to MP3 files of guided relaxation techniques and downloadable worksheets. As a practical tool for recognizing and preventing stress, the action-oriented approach enables you to make personal change through self-reflection and behavior change techniques. The workbook emphasizes a positive approach to stress management, covering topics such as relaxation techniques, coping with anxiety, managing anger, communication skills, and exercise and nutrition. In this edition, the authors cover financial stress and expand their section on sleep. Worksheets and Thoughts for Reflection boxes help you determine your own level of stress and apply effective stress management techniques.

The Perfect Companion To Managing Stress: Principles And Strategies For Health And Well-Being, Eighth Edition, This Workbook Contains More Than 130 Stress Management Exercises That Will Show You How To Withstand The Pressures Of Whatever Stress May Come Your Way. Collectively, These Surveys, Questionnaires, Inventories, Journal Entries, And Worksheets Are Designed As A Comprehensive Action Plan To Help You Develop Effective Coping Skills And Learn To Use Proven Relaxation Techniques. As You Complete These Exercises, You Will See How Easy It Is To Make Stress Management A Part Of Your Daily Routine, Achieve Total Mind-Body-Spirit Wellness, And Stop "Victim Consciousness." You Will Learn How To Understand And Resolve The Causes Of Your Stress And Relieve And Minimize The Physical Symptoms That Accompany Stress.
