Abbottabad

The gripping account
of the decade-long
hunt for the world's
most wanted man. It
was only a week
before 9/11 that Peter
Bergen turned in the
manuscript of Holy

Online Library Manhunt The

War, Inc., the story of Osama bin Laden--whom Bergen had once interviewed in a mud hut in Afghanistan--and his declaration of war on America. The book became a New York Times bestseller and the essential portrait of the most formidable terrorist enterprise of our time. Now, in

Online Library

Manhunt The

Manhunt, Bergen
picks up the thread
with this taut yet
panoramic account of
the pursuit and killing
of bin Laden. Here
are riveting new
details of bin Laden's
flight after the
crushing defeat of the
Taliban to Tora Bora,
where American
forces came
startlingly close to

capturing him, and of the fugitive leader's attempts to find a secure hiding place.

As the only journalist to gain access to bin Laden's Abbottabad compound before the Pakistani government demolished it, Bergen paints a vivid picture of bin Laden's grim, Spartan life in hiding and his struggle to

Online Library Manhunt The

Ten-Year Search For Bin Laden From 9/11 To Abbottabad

maintain control of al-Qaeda even as American drones systematically picked off his key lieutenants. Half a world away, CIA analysts haunted by the intelligence failures that led to 9/11 and the WMD fiasco pored over the tiniest of clues before homing in on the man they called "the

Online Library Manhunt The

Kuwaiti"--who led them to a peculiar building with twelve-foot-high walls and security cameras less than a mile from a Pakistani military academy. This was the courier who would unwittingly steer them to bin Laden, now a prisoner of his own making but still plotting to devastate

the United States.

Bergen takes us
inside the Situation
Room, where

President Obama
considers the COAs
(courses of action)
presented by his war
council and receives
conflicting advice from
his top advisors
before deciding to risk
the raid that would
change history--and

Online Library Manhunt The

then inside the Joint Special Operations Command, whose "secret warriors," the SEALs, would execute Operation Neptune Spear. From the moment two Black Hawks take off from Afghanistan until bin Laden utters his last words, Manhunt reads like a thriller. Based on exhaustive

Online Library Manhunt The

research and
unprecedented
access to White
House officials, CIA
analysts, Pakistani
intelligence, and the
military, this is the
definitive account of
ten years in pursuit of
bin Laden and of the
twilight of al-Qaeda.

From the author of the

over the past decade,
including the
operation that killed

as Hugh Trevor-Roper's *The Last Days of Hitler* was the definitive account of the death of the Nazi dictator, *Manhunt* is the authoritative, immersive account of the death of the man who organized the largest mass murder in American history.

Al Qaeda expert and

Online Library Manhunt The

CNN national security analyst Peter Bergen paints a multi-dimensional picture of the hunt for bin Laden over the past decade, as well as the recent campaign that gradually tightened the noose around him. Other key elements of the book include: * A careful account of Obama's

Online Library Manhunt The

decision-making process throughout the final weeks and days during which the raid was planned, as well as what NSC cabinet members were advising him.

The fascinating story of a group of (mostly female) analysts at the CIA in the HVT (High Value Target) section, who never

Online Library Manhunt The

gave up assembling the tiniest clues about OBL's whereabouts. * The untold and action-packed history of the Joint Special Operations Command (JSOC) and the SEALs, which accounts for the confidence Obama had in tasking them with the mission. * An analysis of what the

death of OBL means
for al Qaeda, for the
wider jihadist
movement that looked
to him for inspiration
and strategic
guidance, and for
Obama's legacy.

From Mark Bowden,
the preeminent
chronicler of our

Finish, a gripping account of the hunt for Osama bin Laden. With access to key sources, Bowden takes us inside the rooms where decisions were made and on the ground where the action unfolded. After masterminding the attacks of September 11, 2001, Osama bin

Online Library Manhunt The

Laden managed to vanish. Over the next ten years, as Bowden shows, America found that its war with al Qaeda—a scattered group of individuals who were almost impossible to track—demanded an innovative approach. Step by step, Bowden describes the development of a new

Online Library

Manhunt The

tactical strategy to fight this war—the fusion of intel from various agencies and on-the-ground special ops. After thousands of special forces missions in Iraq and Afghanistan, the right weapon to go after bin Laden had finally evolved. By Spring 2011, intelligence pointed to a

Online Library Manhunt The

Compound in

Abbottabad; it was estimated that there was a 50/50 chance that Osama was there. Bowden shows how three strategies were mooted: a drone strike, a precision bombing, or an assault by Navy SEALs. In the end, the President had to make the final

decision. It was time
for the finish.

The world's leading expert on Osama bin Laden delivers for the first time the definitive biography of a man who set the course of American foreign policy for the 21st century, and whose ideological heirs we continue to battle today. In *The Rise and Fall of Osama bin Laden*, Peter Bergen

Online Library Manhunt The

Search For Bin
Laden From 9
11 To
Abbottabad

provides the first
reevaluation of the
man responsible for
precipitating

America's long wars
with al-Qaeda and its
descendants,
capturing bin Laden in
all the dimensions of
his life: as a family
man, as a zealot, as a
battlefield
commander, as a
terrorist leader, and

Online Library Manhunt The

as a fugitive. The book sheds light on his many contradictions: he was the son of a billionaire, yet insisted his family live like paupers. He adored his wives and children, depending on two of his wives, both of whom had PhDs, to make important strategic

Online Library Manhunt The

decisions. Yet he also brought ruin to his family. He was fanatically religious, yet willing to kill thousands of civilians in the name of Islam. He inspired deep loyalty yet, in the end, his bodyguards turned against him. And while he inflicted the most lethal act of mass murder in

Online Library Manhunt The

United States history, he failed to achieve any of his strategic goals. The lasting image we have of bin Laden in his final years is of an aging man with a graying beard watching old footage of himself, just another dad flipping through the channels with his remote. In the end,

Online Library Manhunt The

bin Laden died in a squalid suburban compound, far from the front lines of his holy war. And yet despite that unheroic denouement, his ideology lives on.

Thanks to exclusive interviews with family members and associates, and documents unearthed only recently,

Online Library Manhunt The

Bergen's portrait of Osama will reveal for the first time who he really was and why he continues to inspire a new generation of jihadists.

A Pulitzer Prize-winning intelligence reporter presents a narrative account of a mysterious Jordanian agent that describes

Online Library Manhunt The

How he infiltrated both al-Qaeda and the CIA before killing himself and seven CIA operatives in a suicide bombing, an event that revealed sobering agency weaknesses. Reprint.
