The new edition of this bestselling textbook covers Macroeconomics today, balancing short-run and long-run issues in a way that emphasizes the relevance of Keynesian and classical ideas to current practice. Featuring the latest data and extensive coverage of the current financial crisis, it is the ideal textbook for uncertain economic times. Additional Supplementary products are also available: Macroeconomics Study Guide ISBN: 9781429233729 Macroeconomics Instructor's Resource Manual ISBN: 9781429239363 Macroeconomics Instructor's Solution Manual ISBN: 9781429239424 Macroeconomics Computerized Test Bank (CD ROM) ISBN: 9781429239349 Macroeconomics Printed Test Bank ISBN: 9781429239356 Macroeconomics WebCT ISBN: 9781429239370

"PRINCIPLES OF MACROECONOMICS, Seventh Edition, continues to be the most popular and widely-used text in the economics classroom. Instructors find it the perfect complement to their teaching. A text by a superb writer and economist that stresses the most important concepts without overwhelming students with an excess of detail was a formula that was quickly imitated, but has yet to be matched. The seventh edition features dozens of new applications that emphasize the real-world relevance of economics for today's students through interesting news articles, realistic case studies, and engaging problems. A thorough update has been made to keep all chapters fresh and relevant with current Economic coverage. A new Quick Check Multiple Choice section has been included to round out the end-of-chapter offering. Intended as a deeper dive into the material than the existing Questions for Review, these Quick Check Multiple Choice Questions and Problems and Applications will be directly lifted into the Mankiw Aplia product. Aplia, the best-selling online homework solution, will be available with new enhancements that include accessibility on mobile devices, improved graphing experience, a new interactive ereader with videos and graphing tutorials, and much more. The seventh edition premier ancillary package is the most extensive in the industry, using a team of instructors/preparers that have been with the project since the first edition"--Provided by publisher.

With its clear and engaging writing style, BRIEF PRINCIPLES OF MACROECONOMICS, Seventh Edition, continues to be one of the most popular books on economics available today. Mankiw emphasizes material that you are likely to find interesting about the economy (particularly if you are studying economics for the first time), including real-life scenarios, useful facts, and the many ways economic concepts play a role in the decisions you make every day. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

With its clear and engaging writing style, BRIEF PRINCIPLES OF MACROECONOMICS, Seventh Edition, continues to be one of the most popular books on economics available today. Mankiw emphasizes material that you are likely to find interesting about the economy (particularly if you are studying economics for the first time), including real-life scenarios, useful facts, and the many ways economic concepts play a role in the decisions you make every day. David R. Hakes (University of Northern Iowa) has prepared a study guide that will enhance your success. Each chapter of the study guide includes learning objectives, a description of the chapter's context and purpose, a chapter review, key terms and definitions, advanced critical-thinking questions, and helpful hints for understanding difficult concepts. You can develop your understanding of the material by doing the practice problems and answering the short-answer questions. Then you can assess your mastery of the key concepts with the self-test, which includes true/false and multiple-choice questions. text may not be available in the ebook version.

The number one textbook for intermediate macroeconomics courses since its first edition, this title is known for conveying the cutting edge in macroeconomics theory, research, and policy to the classroom, explaining complex concepts with exceptional clarity. This new edition is no exception, with Greg Mankiw streamlining his hallmark approach and adding powerful new digital learning options while improving the book's already exemplary focus on teaching students to apply the analytical tools of macroeconomics to current events and policies. This comprehensive text is the ideal accompaniment to undergraduate courses in Macroeconomics.

Now readers can master the principles of economics with the help of the most popular introductory book in economics today that is widely used around the world -- Mankiw's PRINCIPLES OF ECONOMICS, 8E. With its clear and engaging writing style, this book emphasizes only the material that readers are likely to find most interesting about the economy, particularly if they are studying economics for the very first time. Reader discover interesting coverage of the latest relevant economic developments with real-life scenarios, useful economic facts, and clear explanations of the many ways economic concepts play a role in the decisions that individuals make every day. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Principles of Macroeconomics, Seventh Canadian Edition, is designed to appeal to all students through its breakdown of concepts, focus on big ideas, and user-friendly language. As the market leader, its clear, concise, and consistent approach grounds students in difficult concepts and links theory to real-world applications, assisting in making the connection from page to action. Students receive a sophisticated understanding of how the economy operates without losing the big ideas through various pedagogical features that summarize major concepts, apply economic theory to students' experiences and lives, and develop the building blocks required to achieve higher levels of understanding. As Mankiw states, "My goal in writing my text was to try and remember and to write a text that I would have liked to have read", and this is the same approach he, Kneebone, and McKenzie have continued with the Seventh Canadian Edition.
