Praise for the Third Edition ". . . an expository masterpiece of the highest didactic value that has gained additional attractivity through the various improvements . . ."-Zentralblatt MATH The Fourth Edition of Introduction to Abstract Algebra continues to provide an accessible approach to the basic structures of abstract algebra: groups, rings, and fields. The book's unique presentation helps readers advance to abstract theory by presenting concrete examples of induction, number theory, integers modulo n, and permutations before the abstract structures are defined. Readers can immediately begin to perform computations using abstract concepts that are developed in greater detail later in the text. The Fourth Edition features important concepts as well as specialized topics, including: The treatment of nilpotent groups, including the Frattini and Fitting subgroups Symmetric polynomials The proof of the fundamental theorem of algebra using symmetric polynomials The proof of Wedderburn's theorem on finite division rings the proof of the Wedderburn-Artin theorem Throughout the book, worked examples and real-world problems illustrate concepts and their applications, facilitating a complete understanding for readers regardless of their background in mathematics. A wealth of computational and theoretical exercises, ranging from basic to complex, allows readers to test their comprehension of the material. In addition, detailed historical notes and biographies of mathematicians provide context for and illuminate the discussion of key topics. A solutions manual is also available for readers who would like access to partial solutions to the book's exercises. Introduction to Abstract Algebra, Fourth Edition is an excellent book for courses on the topic at the upper-undergraduate and beginning-graduate levels. The book also serves as a valuable reference and self-study tool for practitioners in the fields of engineering, computer science, and applied mathematics.

Collection of selected, peer reviewed papers from the 2014 3rd International Conference on Mechanical Engineering and Materials (ICMEM 2014), November 5-6, 2014, Singapore. The 46 papers are grouped as follows: Chapter 1: Engineering Materials; Chapter 2: Technologies and Systems of Materials Processing; Chapter 3: Building Materials and Technologies; Chapter 4: Designing and Researching of Machines and Mechanisms, Control and Automation; Chapter 5: Signal and Data Processing, Computer Algorithms; Chapter 6: Engineering Management in Industry

"Woodcraft and Camping" by George Washington Sears. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

This puzzle book contains more than 100 puzzles that are guaranteed to get your brain spinning and your mind whirring. All are set in times past and Merlin the wizard, Avalon, King Arthur and other mythical people and places feature prominently.

For any online business that can sell its products globally, multilingual digital marketing will be a big part of their marketing and selling efforts. In 21st century the push to expand into new areas of the world will increase as the competition tightens. For businesses that are currently struggling because of the competition found in their home languages, it means an opening of new, large areas of interested customers who speak different languages. By tapping into new markets, a business may see its customer base skyrocket depending on how well they can advertise their products into these areas. There are several advantages that multilingual marketing offers businesses that are seeking new customers from parts of the world that speak a different language. The challenges are present, such as effective translation that appears natural, but the potential in 2017 is considerable. The first and foremost benefit is that your product is being introduced to an entirely new audience. If what you offer is unique, then you have a considerable opportunity to expand your business with little to no direct competition. However, even if you are marketing familiar products, you are most often facing less competition which makes it easier to sell. In previous editions one discussed about ecommerce and market leadership. In the fifth edition you will be taken to a new journey in online marketing from creating a successful business plan, sales strategies, multilingual website design, marketing strategies in foreign countries, multilingual social media marketing for businesses, politicians and celebrities and share of wallet strategies.

Two prominent economists lead a debate to redistribute wealth. In Recasting Egalitarianism, part of Verso's Real Utopias series, economists Samuel Bowles and Herbert Gintis diagnose the current malaise of the Left as a result of the obsolescence of its traditional economic models. They propose to rejuvenate the egalitarian project through a strategy of asset-based redistribution, drawing in novel ways on markets, competition, state regulation and community governance. In this major work on economic and social policy, the authors address the twin challenges posed by a globally integrated economy and the key economic roles now played by information, motivation, and other intangibles. They propose an egalitarian redistribution of assets – land, capital, and housing – and argue for the beneficial disciplining effects of competition both in markets and among publicly-funded service providers, pointing out that the injustices commonly associated with markets can be avoided if assets are more equally distributed. The lead essay in the book lays out the underlying logic of this proposal in some detail. This is followed by responses by critics and supporters. Contributors include: Harry Brighouse, Michael Carter, Steve Durlauf, Paula England, David Gordon, Daniel M. Hausman, Karla Hoff, Andrew Levine, Elaine McCrate, Karl Ove Moen, Ugo Pagano, John E. Roemer, Peter Scott, Michael Wallerstein, Erik Olin Wright.

Presents an eclectic collection of Buddhist-inspired writings on a wide range of issues by such contributors as the Dalai Lama, Karen Miller, Rick Bass, and Thich Nhat Hanh.

The book explores the notion of soft power as set of theoretical arguments about power, and as a reflection of how each country perceives what is an increasingly necessary perspective on international relations in an age of ubiquitous global communication flows and encroaching networks of non-state actors. Soft power is discussed a means by which public diplomacy is justified and in the process, reflects arguments for how each state sees what is possible through soft power.

"Outstanding romantic read. Irish Winters has crafted a tender romance between two lost souls that will keep readers wanting more." "Prepare to fall in love with tough guy Alex who can be tender, softhearted Kelsey who is stronger than she realizes, and Whisper for sure!" "This love story speaks to everyone who has loved and lost. It's a keeper, meant to be read again and again." Book description: He's trying to forget . . . Alex Stewart, ex-Marine and tough as nails boss, ditches the success of his fledgling business and flees to his cabin in the deep woods. He's had enough. Four years after the deaths of his wife and daughter, he's stuck in the anger stage of grief. He wants to be left alone. Life used to make sense. It just doesn't bring him joy. Nothing does. She's trying to remember . . . Left to die in those same deep woods, Kelsey is the last thing Alex expects to find at his cabin. She's everything he's running away from. Responsibility. Memories. Having to care about someone else beside himself. To make matters worse, she can't remember anything except her first name. Neither can she explain the marks on her body, nor why two darling baby boys haunt her dreams. But Alex can . . .

In this complete three-book series, follow Reese, Jade, and Cassie as they are stripped from their busy lives and forced into hiding on Emerson Ranch. Each finds a hunky cowboy ready to protect her, and a list of challenges she never saw coming. But could love be brewing along the way?A "passionately clean romance series with a dash of danger!" Sweet Montana Bride Series, featuringwitness protection ~ rancher style includes Reese's Cowboy Kiss, Jade's Cowboy Crush, and Cassie's Cowboy Crave."This series is one of the best I've ever read. . . .Passion and romance without explicit sensuality." Rocky Palmer RVP the Man Editing"The novels in this series remind me of RaeAnne Thayne's books with a splash of danger and suspense." Jamie Brook Thompson"Kimberly's books remind me a lot the books written by one of my favorite authors Marcia Lynn McClure. There is a lot of passionate kissing and a few mild swear words but otherwise they are clean." Kathy Habel, TOP 100 REVIEWER on AmazonReese's Cowboy Kiss:Texan pageant winner, Reese Taylor, has a former classmatewho wants her dead. Now she must leave her friends and familyto enter a protection program on Emerson Ranch. A group ofgood-looking cowboys awaits her, but Reese has her eye onBlake Emerson, the one man too busy with the ranch to give her a chance.Blake Emerson has no time to go lookin' for love. He's gota ranch to run, positions to fill, and an ache in his heartfrom love gone wrong. So when he agrees to harbor a witnesso help on the ranch, Blake assumes his first two problems areolved. But he never dreamed his new quest would be avoman. One he was destined to lose his heart to.With sparks burning hot and danger around the bend, onequestion lingers in his mind: Has he only added to his listof troubles, or has Blake just found the woman of his dreams?Jade's Cowboy Crush:Single mother, Jade Miller, has just witnessed a murder. Now, set to testify against the cold-blooded killer, Jade must be placed under protection. While she is grateful to the kind folks who've offered to take in her and her son, Jade is surprised to find the man escorting them from L.A. to Montana is Gavin Emerson. A womanizing, far-too-attractive-for-his-own-good, rebel cowboy. Jade assures Gavin that she has sworn off men until her son is grown, but all too soon she finds herself fighting back feelings for the man who's agreed to care for them.Gavin wants nothing to do with ranch life. Not since the ugly fallout he had with his father over eight years ago. But when he agrees to come back, harboring Jade and her son for a time, Gavin falls in love with life on the land once again. Above that, he finds his heart has been captured by his lovely house guest, Jade Miller.After reservations on both parts, the two are finally ready to open up and give their new-found love a try. Only they aren't in the clear just yet, and as a dark and deadly threat falls upon them, Gavin finds that his bad-boy past may have led the danger right to their door.Cassie's Cowboy Crave:Twenty-four-year-old Cassie Lovell has a great job, good friends, and an apartment with a killer view. That is, until life is turned upside down. Without the chance to say goodbye, Cassie is forced into a witness protection program on Emerson Ranch. Just when she fears life is doomed, Cassie meets Shane Emerson, the stunningly handsome cowboy who'll be posing as her newlywed groom.Shane Emerson is determined not to fall for the woman he's agreed to harbor. Especially since the whole thing was his family's way of trying to get him hitched. So why is it when he takes Cassie into his home, Shane wants nothing more than to turn their make-believe marriage into more than just a sham?In a moment of weakness, Shane steals a kiss.In return, Cassie steals his heart.Yet before they confess their undying love,a hidden danger threatens to tear them apart.
