The story of Yayati is perhaps one of the most intriguing and fascinating episodes of Mahabharata. Yayati was

File Type PDF Marathi Kadambari Mrityunjay

a great scholar and one of the noblest rulers of olden times. He followed the shastras and was devoted to the welfare of his subjects. Even the King of Gods, Indra, held him in high esteem. Married to seductively beautiful Devayani, in love with her maid Sharmishtha, and father of five sons from two women, yet Yayati unabashedly declares, 'My lust for pleasure is unsatisfied...' His quest for the carnal continued, sparing not even his youngest son, and exchanging his old age for his son's youth... Winner of the Jnanpith and Sahitya Akademi Awards.

Mukund Joshi is fourteen and newly in love. He attends the same private tuitions as his classmate, Shirodkar, just for a glimpse of her, and follows her back home every day. Sadly, she has not a clue that he is pining away for her, because in their society, boys and girls don't interact freely, much less talk about love. When he's not negotiating the tricky alleys of love, Mukund sits around the school field or loafs about town with his close friends, Surya, Chitre and Phawdya, railing against the education system, and debating ideas such as discipline and Bohemianism. Set in a small Maharashtrian town during the Emergency of 1975, Shala is a heart-warming, nuanced novel about the adolescent struggles that are as tortuous in real time as they are amusing in retrospect.

It is common knowledge that the 12 star-signs map the sky and set the stage for the drama of life. This book expands this awareness manifold by revealing that it is the 27 constellations, and not the 12 signs, which truly

File Type PDF Marathi Kadambari Mrityunjay

map the ecliptic and provide the celestial backdrop for affairs on earth. Instead of taking away from the widely recognized meanings and significations of the 12 signs, they enrich them with a whole new depth of perspective and interpretation.

...the rest shall follow Deep, an awkward young man obsessed with libraries and books, has his dream come true when he is sent to Hong Kong on an internship programme. Leaving behind jealous but encouraging friends, a supportive father and a hysterical, overprotective mother, Deep makes his first flight to a foreign land. And then he sees her, Ahana, a stunningly beautiful girl. But Deep also has to come to terms with another reality: Ahana is blind. Together they explore Hong Kong, Ahana guiding them with the smells and sounds of the wondrous city and Deep bringing to life for her the delightful sights he sees. They're living a dream, till Aveek, her gorgeous ex-boyfriend, comes back into her life. Hold My Hand is a delightful young romance with a surprise ending.

John Pearson knows more about the Krays than anyone alive. Legend, starring Tom Hardy, was based on his book *The Profession of Violence* and it was Pearson who exposed the Boothby connection in 1994. In 1967 the twins asked Pearson to write their biography. He remained a confidant of the family and the brothers throughout their trial and prison years. Now Pearson revisits the twins' criminal past and lays bare the truth behind the legend. Drawing upon a mass of first-hand interviews and private information he was unable to use while the Krays were still alive, he finally recounts the chilling untold story of the Kray twins. John Pearson is also the author of *All the Money in the World* (previously titled *Painfully Rich*), now a major
