The Balkan Trilogy is the story of a marriage and of a war, a vast, teeming, and complex masterpiece in which Olivia Manning brings the uncertainty and adventure of civilian existence under political and military siege to vibrant life. Manning's focus is not the battlefield but the café and kitchen, the bedroom and street, the fabric of the everyday world that has been irrevocably changed by war, yet remains unchanged. At the heart of the trilogy are newlyweds Guy and Harriet Pringle, who arrive in Bucharest-the so-called Paris of the East-in the fall of 1939, just weeks after the German invasion of Poland. Guy, an Englishman teaching at the university, is as wantonly gregarious as his wife is introverted, and Harriet is shocked to discover that she must share her adored husband with a wide circle of friends and acquaintances. Other surprises follow: Romania joins the Axis, and before long German soldiers overrun the capital. The Pringles flee south to Greece, part of a group of refugees made up of White Russians, journalists, con artists, and dignitaries. In Athens, however, the couple will face a new challenge of their own, as great in its way as the still-expanding theater of war.

After the burned body of mixed-blood boy Johnnie Sanders is discovered in 1878 Dodge City, Kansas, part-time policeman Wyatt Earp enlists the help of his professional-gambler friend Doc Holliday, in a novel that also features Doc's girlfriend, the Hungarian prostitute Kate Katarina Harony. Reprint. A best-selling novel.

A profile of the only World War II Marine to win the Medal of Honor, the Navy Cross, and a Purple Heart parallels his career with notable World War II memoirists while tracing his significant achievements at Guadalcanal and Iwo Jima.

Winner of the National Book Award for Fiction "Redeployment is hilarious, biting, whipsawing and sad. It's the best thing written so far on what the war did to people's souls." -Dexter Filkins. The New York Times Book Review Selected as one of the best books of the year by The New York Times Book Review, Time, Newsweek, The Washington Post Book World, Amazon, and more Phil Klay's Redeployment takes readers to the frontlines of the wars in Iraq and Afghanistan, asking us to understand what happened there, and what happened to the soldiers who returned. Intertwoven with themes of brutality and faith, guilt and fear, helplessness and survival, the characters in these stories struggle to make meaning out of chaos. In "Redeployment", a soldier who has had to shoot dogs because they were eating human corpses must learn what it is like to return to domestic life in suburbia, surrounded by people "who have no idea where Fallujah is, where three members of your platoon died." In "After Action Report", a Lance Corporal seeks expiation for a killing he didn't commit, in order that his best friend will be unburdened. A Mortuary Affairs Marine tells about his experiences collecting remains-of U.S. and Iraqi soldiers both. A chaplain sees his understanding of Christianity, and his ability to provide solace through religion, tested by the actions of a ferocious Colonel. And in the darkly comic "Money as a Weapons System", a young Foreign Service Officer is given the absurd task of helping Iraqis improve their lives by teaching them to play baseball. These stories reveal the intricate combination of monotony, bureaucracy, comradeship and violence that make up a soldier's daily life at war, and the isolation, remorse, and despair that can accompany a soldier's homecoming. Redeployment has become a classic in the tradition of war writing. Across nations and continents, Klay sets in devastating relief the two worlds a soldier inhabits: one of extremes and one of loss. Written with a hard-eyed realism and stunning emotional depth, this work marks Phil Klay as one of the most talented new voices of his generation.
