good textbook and a few key supplements, to the professor who wants a top-notch fully integrated multimedia program. Marketing utilizes a unique, innovative, and effective pedagogical approach developed by the authors through the integration of their combined classroom, college, and university experiences. The elements of this approach have been the foundation for each edition of Marketing and serve as the core of the text and its supplements as they evolve and adapt to changes in student learning styles, the growth of the marketing discipline, and the development of new instructional technologies. The distinctive features of the approach are illustrated below: High Engagement Style - Easy-to-read, interactive, writing style that engages students through

active learning techniques. Personalized Marketing - A vivid and accurate description of businesses, marketing professionals, and entrepreneurs—through cases, exercises, and testimonials—that allows students to personalize marketing and identify possible career interests. Marketing Decision Making – The use of extended examples, cases, and videos involving people making marketing decisions. Integrated Technology - The use of powerful technical resources and learning solutions. Traditional and Contemporary Coverage - Comprehensive and integrated coverage of traditional and contemporary concepts. Rigorous Framework - A pedagogy based on the use of Learning Objectives, Learning Reviews, Learning Objectives Reviews, and supportive student supplements.

and student-friendliness set by Marketing 8/e, but in a shorter, more accessible package. The Core distills Marketing's 22 chapters down to 18, leaving instructors just the content they need to cover the essentials of marketing in a single semester. Instructors using The Core also benefit from a full-sized supplements package. The Core is more than just a "baby Kerin"; it combines great writing style, currency, and supplements into the ideal package.

Marketing Research provides comprehensive information on both the quantitative methods used in marketing research and the many considerations a manager faces when interpreting and using market research findings.

Read Book Marketing 10th Edition Kerin

Marketing research hot topics are featured, including competitive intelligence, published secondary data and the Internet, and marketing research suppliers and users. Each chapter helps you explore ethical dilemmas related to the topics discussed, the uses and needs for marketing research across business functions, and how to use the Internet to gather marketing research data in an efficient, cost-effective manner. By focusing on the managerial aspects of marketing research, this book provides you with both the tools to conduct marketing research, as well as those to interpret the results and use them effectively as a manager.
