The classic work on the evaluation of city  
form. What does the city's form actually  
mean to the people who live there? What  
can the city planner do to make the city's

image more vivid and memorable to the city dweller? To answer these questions, Mr. Lynch, supported by studies of Los Angeles, Boston, and Jersey City, formulates a new criterion—imageability—and shows its potential value as a guide for the building and rebuilding of cities. The wide scope of this study leads to an original and vital
