Includes: SUMMER RENTAL Ellis, Julia, and Dorie. Friends since Catholic grade school, they now find themselves, in their mid-thirties, at the crossroads of life and love. A month in North Carolina's Outer Banks is just what each of them needs. Ty Bazemore is their landlord. After an inauspicious first meeting with Ellis, the two find themselves disturbingly attracted to one another, even as Ty is about to lose everything he's ever cared about. Maryn Shackelford is a stranger on the run who needs just a few things: no questions, a good hiding place, and a new identity. Ellis, Julia, and Dorie can provide what Maryn wants; can they also provide what she needs? SPRING FEVER Annajane Hudgens truly believes she is over her ex-husband, Mason Bayless. They've been divorced for four years, she's engaged to a new, terrific guy, and she's ready to leave the small town where she and Mason had so much history. She is so over Mason that she has absolutely no problem attending his wedding to the beautiful, intelligent, delightful Galia. But when fate intervenes and the wedding is called to a halt as the bride is literally walking down the aisle, Annajane begins to realize that maybe she's been given a second chance. Maybe everything happens for a reason. And maybe, just maybe, she wants Mason back. But there are secrets afoot in this small Southern town and Annajane discovers that change can bring out the worst in people and uncover family scandals. And even though there are people determined to keep Annajane from getting what she wants, happiness could be hers for the taking, and the life she once had with Mason in this sleepy little lake town could be in her future. That is, if she can find out what she's really made of and what really matters most to her. LADIES' NIGHT Grace Stanton's life as a rising media star and beloved lifestyle blogger takes a surprising turn when she catches her husband cheating and torpedoes his pricey sports car straight into the family swimming pool. Grace suddenly finds herself locked out of her palatial home, checking account, and even the blog she has worked so hard to develop in her signature style. Moving in with her widowed mother, who owns and lives above a rundown beach bar called The Sandbox, is less than ideal. So is attending court-mandated weekly "divorce recovery" therapy sessions with three other women and one man for whom betrayal seems to be the only commonality. When their "divorce coach" starts to act suspiciously, they decide to start having their own Wednesday "Ladies' Night" sessions at The Sandbox, and the unanticipated bonds that develop lead the members of the group to try and find closure in ways they never imagined. Can Grace figure out a new way home and discover how strong she needs to be to get there?

Sometimes, when you need a change in your life, the tide just happens to pull you in the right direction... Ellis, Julia, and Dorie. Best friends since Catholic grade school, they now find themselves, in their mid-thirties, at the crossroads of life and love. Ellis, recently fired from a job she gave everything to, is rudderless and now beginning to question the choices she's made over the past decade of her life. Julia--whose caustic wit covers up her wounds--has a man who loves her and is offering her the world, but she can't hide from how deeply insecure she feels about her looks, her brains, her life. And Dorie has just been shockingly betrayed by the man she loved and trusted the most in the world...though this is just the tip of the iceberg of her problems and secrets. A month in North Carolina's Outer Banks is just what they each of them needs. Ty Bazemore is their landlord, though he's hanging on to the rambling old beach house by a thin thread. After an inauspicious first meeting with Ellis, the two find themselves disturbingly attracted to one another, even as Ty is about to lose everything he's ever cared about. Maryn Shackelford is a stranger, and a woman on the run. Maryn needs just a few things in life: no questions, a good hiding place, and a new identity. Ellis, Julia, and Dorie can provide what Maryn wants; can they also provide what she needs? Mary Kay Andrews' novel is the story of five people questioning everything they ever thought they knew about life. Five people on a journey that will uncover their secrets and point them on the path to forgiveness. Five people who each need a sea change, and one month in a summer rental that might just give it to them. Summer Rental is one of Library Journal's Best Women's Fiction Books of 2011

Long enough that the elders in her Amish community think it ' s time to marry again for the sake of her seven children. What they don ' t know is that grief isn ' t holding her back from a new relationship. Fear is. A terrible secret in her past keeps her from moving forward. Mennonite book salesman Nathan Walker stops by Jennie ' s farm whenever he ' s in the area. Despite years of conversation and dinners together, she never seems to relax around him. He knows he should move on, but something about her keeps drawing him back. Meanwhile, Leo Graber nurtures a decades-long love for Jennie, but guilt plagues him--guilt for letting Jennie marry someone else and guilt for his father ' s death on a hunting trip many years ago. How could anyone love him again--and how could he ever take a chance to love in return? In this second book in the Every Amish Season series, three hearts try to discern God ' s plan for the future--and find peace beneath the summer sun.

Cut off from her palatial home and checking account after an act of post-divorce rage forces her to move in with her widowed mother and attend court-mandated group therapy, rising media star Grace Stanton bonds with three fellow patients who she helps plot respective pursuits of justice and closure. New York Times bestselling author and Queen of the Beach Reads Mary Kay Andrews delivers her next blockbuster, Hello Summer. It ' s a new season... Conley Hawkins left her family ' s small town newspaper, The Silver Bay Beacon, in the rearview mirror years ago. Now a star reporter for a big-city paper, Conley is exactly where she wants to be and is about to take a fancy new position in Washington, D.C. Or so she thinks. For small town scandals... When the new job goes up in smoke, Conley finds herself right back where she started, working for her sister, who is trying to keep The Silver Bay Beacon afloat--and she doesn ' t exactly have warm feelings for Conley. Soon she is given the unenviable task of overseeing the local gossip column, " Hello, Summer. " And big-time secrets. Then Conley witnesses an accident that ends in the death of a local congressman--a beloved war hero with a shady past. The more she digs into the story, the more dangerous it gets. As an old heartbreaker causes trouble and a new flame ignites, it soon looks like their sleepy beach town is the most scandalous hotspot of the summer.

From Mary Kay Andrews, the New York Times bestselling author of Hello, Summer, comes a novella celebrating the magic of Christmas and second chances in The Santa Suit. When newly-divorced Ivy Perkins buys an old farmhouse sight unseen, she is definitely looking for a change in her life. The Four Roses, as the farmhouse is called, is a labor of love--but Ivy didn't bargain on just how much labor. The previous family left so much furniture and so much junk, that it's a full-time job sorting through all of it. At the top of a closet, Ivy finds an old Santa suit--beautifully made and decades old. In the pocket of a suit she finds a note written in a childish hand: it's from a little girl who has one Christmas wish, and that is for her father to return home from the war. This discovery sets Ivy off on a mission. Who wrote the note? Did the man ever come home? What mysteries did the Rose family hold? Ivy's quest brings her into the community, at a time when all she wanted to do was be left alone and nurse her wounds. But the magic of Christmas makes miracles happen, and Ivy just might find more than she ever thought possible: a welcoming town, a family reunited, a mystery solved, and a second chance at love.

It's 1970, mere months after the first man walked on the moon. The Vietnam War is raging on, drawing thousands of young American men into compulsory military service. Campus riots become commonplace, while Bridge Over Troubled Water tops the music charts. And millions of families across the nation gather around their television sets on Sunday evenings to watch what is to be the final season of the Ed Sullivan Show. For thirteen-year-old Mary Kay, life changes irrevocably when the last of her brothers and sisters marries and moves away from their Kansas family farm. As the youngest of seven, she has always been surrounded by people and noise and activity. The sudden loneliness hits hard as Mary Kay tries to adapt to her new reality. At home, her dogs Sandy and Sport and her horse Strawberry become her sole companions, as she helps her loving Mama and hard-working Daddy carry on with their never-ending farm chores. At school, Mary Kay graduates from the comforting country grade school where her oldest brother had been her teacher and now faces the challenge of high school in another town with no friends. Inspired by the discovery of an old diary, Another Year on the Family Farm continues the saga of author Mary Kay Schippers' childhood first described in A Year on the Family Farm. Like its predecessor, Another Year on the Family Farm is full of love, life, and laughter. Whether it's hanging on to a runaway horse, seeking refuge from a storm, learning to drive or falling in love, Mary Kay's coming of age stories will carry you off to a world of enjoyment for young and old alike...
