The highlight must be Nanny Ogg's 'cookbook' 'The Joy of Snacks' which, given the illustrations, is a best seller. Wicked humour throughout. The plot is an excellent mystery whodunnit. Maskerade is Terry Pratchett's at his very best - wonderful humour combined with a really good read. If you are new to the Discworld novels it is better to read ...

~~Maskerade: A Novel of Discworld: Pratchett, Terry ...~~

'There's a kind of magic in masks. Masks conceal one face, but they reveal another. The one that only comes out in darkness . . .' The Opera House in Ankh-Morpork is home to music, theatrics and a harmless masked Ghost who lurks behind the scenes. But now a set of mysterious backstage murders may just stop the show. Agnes Nitt has left her rural home of Lancre in the hopes of launching a successful singing career in the big city. The only problem is, she doesn't quite look the part. And there are two witches who would much rather she return home to join their coven. Granny Weatherwax and Nanny Ogg have travelled to Ankh-Morpork to convince Agnes that life as a witch is much better than one on the stage. Only now they're caught up in a murder mystery featuring masks and maniacal laughter. And the show MUST go on . . . 'A master storyteller' A. S. Byatt 'Funny, delightfully inventive, and refuses to lie down in its genre' Observer Maskerade is the fifth book in the Witches series, but you can read the Discworld novels in any order.

The Opera House, Ankh-Morpork: a huge rambling building, where innocent young sopranos are lured to their destiny by a strangely familiar evil mastermind in a hideously deformed evening dress. But Granny Weatherwax is in the audience, and she doesn't hold with that sort of thing. So there's going to be trouble (but nevertheless a good evening's entertainment with murders you can really hum.)

'There's a kind of magic in masks. Masks conceal one face, but they reveal another. The one that only comes out in darkness . . .' The Opera House in Ankh-Morpork is home to music, theatrics and a harmless masked Ghost who lurks behind the scenes. But now a set of mysterious backstage murders may just stop the show. Agnes Nitt has left her rural home of Lancre in the hopes of launching a successful singing career in the big city. The only problem is, she doesn't quite look the part. And there are two witches who would much rather she return home to join their coven. Granny Weatherwax and Nanny Ogg have travelled to Ankh-Morpork to convince Agnes that life as a witch is much better than one on the stage. Only now they're caught up in a murder mystery featuring masks and maniacal laughter. And the show MUST go on . . . 'A master storyteller' A. S. Byatt 'Funny, delightfully inventive, and refuses to lie down in its genre' Observer Maskerade is the fifth book in the Witches series, but you can read the Discworld novels in any order.

The show must go on, as murder, mayhem and music run riot in the night The Opera House, Ankh-Morpork...A huge, rambling building, where masked figures and hooded shadows do wicked deeds in the wings...Where dying the death on stage is a little bit more than a metaphor.

Terry Pratchett takes Shakespeare's Macbeth and then turns it up 'till the knob comes off. It's all there - a wicked duke and duchess, the ghost of the murdered king, dim soldiers, strolling players, a land in peril. And who stands between the Kingdom and destruction? Three witches. Granny Weatherwax (intolerant, self-opinionated, powerful), Nanny Ogg (down-to-earth, vulgar) and Magrat Garlick (naïve, fond of occult jewellery and bunnies). Stephen Briggs has been involved in amateur dramatics for over 25 years and he assures us that the play can be staged without needing the budget of Industrial Light and Magic. Not only that, but the cast should still be able to be in the pub by 10 o'clock! Oh, and a world of advice omitted from the play text: LEARN THE WORDS Havelock, Lord Vetinari

All is not well in Ankh-Morpork Opera House. A ghost stalks the corridors, leaving strange letters for the management and killing people. Granny Weatherwax and Nanny Ogg, two Lancre witches, investigate. This is an adaptation of Terry Pratchett's Discworld novel, Maskerade.

Not only an artistic and breathtaking view of Lancre but also an interesting and informative guide to one of the Discworld's more, er, picturesque kingdoms. Granny Weatherwax, Nanny Ogg and Magrat Garlick live there. Lancre could hardly be somewhere ordinary, could it? Magic glues the Discworld together and a lot of it ends up in Lancre, principal Kingdom of the Ramtop Mountains. Between Uberwald and Whale Bay, the Otarine Grass Country and the Windersins Ocean lies the most exciting and dangerous terrain in all Discworld. The Ramtops supply Discworld with most of its witches and wizards. The leaves on the trees move even when there is no breeze. Rocks go for a stroll in the evening. Even the land, at times, seems alive. The mapp may be only two-dimensional, but watch it very carefully and you might just see it jostle about a bit.

'They say that the way to a man's heart is through his stomach which just goes to show they're as confused about anatomy as they gen'rally are about everything else, unless they're talking about instructions on how to stab him, in which case a better way is up and under the ribcage. Anyway, we do not live in a perfect world and it is foresighted and useful for a young woman to become proficient in those arts which will keep a weak-willed man from straying. Learning to cook is also useful.' Nanny Ogg, one of Discworld's most famous witches, is passing on some of her huge collection of tasty and above all interesting recipes, since everyone else is doing it. But in addition to the delights of the Strawberry Wobbler and Nobby's Mum's Distressed Pudding, Mrs Ogg imparts her thoughts on life, death, etiquette ('If you go to other people's funerals they'll be sure to come to yours'), courtship, children and weddings, all in a refined style that should not offend the most delicate of sensibilities. Well, not much. Most of the recipes have been tried out on people who are still alive. Nanny Ogg Gratefully Acknowledges the Assistance in this Literary Argosy of: Mr Terry Pratchett, Mr Stephen Briggs, Mlle Tina Hannan and Master Paul Kidby.

Although they may feature witches and wizards, vampires and dwarves, along with the occasional odd human, Terry Pratchett's bestselling Discworld novels are grounded firmly in the modern world. Taking humorous aim at all our foibles, each novel reveals our true character and nature. It's a dreamy midsummer's night in the Kingdom of Lancre. But music and romance aren't the only things filling the air. Magic and mischief are afoot, threatening to spoil the royal wedding of King Verence and his favorite witch, Magrat Garlick. Invaded by some Fairie Trash, soon it won't be only champagne that's flowing through the streets ...

A new stage adaptation of one of Pratchett's best-selling novels The Discworld's most inept wizard has been sent from Unseen University in Ankh-Morpork to the oppressive Agatean Empire to help some well-intentioned rebels overthrow the Emperor. He's assisted by toy-rabbit-wielding rebels, an army of terracotta warriors, a tax gatherer and a group of seven very elderly barbarian heroes lead by Cohen the Barbarian. Opposing him, though, is the evil and manipulative Lord Hong and his army of 750,000 men. Oh...Rincewind is also aided by Twoflower - Discworld's first tourist and the author of a subversive book, about his visit to Ankh-Morpork, which has inspired the rebels in their struggle for freedom. The book is called "What I Did On My Holidays"."One of the funniest authors alive" Independent
