2. Internal Assessment - Maximum Marks 10 for each Term: a. There will be Periodic Assessment that would include:
 • Three periodic tests will be conducted by the school in the entire session.

NCERT Textbooks play the most vital role in developing student's understanding and knowledge about a subject and the concepts or topics covered under a particular subject. Keeping in mind this immense importance and significance of the NCERT Textbooks in mind, Arihant has come up with a unique book containing Questions-Answers of NCERT Textbook based questions. This book containing solutions to NCERT Textbook questions has been designed for the students studying in Class X following the NCERT Textbook for Mathematics. The present book has been divided into 16 Chapters namely Sets, Relations & Functions, Mathematical Induction, Linear Inequalities, Conic Sections, Limits & Derivatives, Statistics, Probability, Mathematical Reasoning, Straight Lines, Conic Sections, Binomial Theorem, etc. covering the syllabi of Mathematics for Class XI. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the Mathematics textbook based questions. The book covers selected NCERT Exemplar Problems which will help the students understand the type of questions and answers to be expected in the Class XI Mathematics Examination. Also each chapter in the book begins with a summary of the chapter which will help in effective understanding of the theme of the chapter and to make sure that the students will be able to answer all popular questions concerned to a particular chapter whether it is Long Answer Type or Short Answer Type Question. For the overall benefit of students the book has been designed in such a way that it not only gives solutions to all the exercises but also gives detailed explanations which will help the students in learning the concepts and will enhance their thinking and learning abilities. As the book has been designed strictly according to the NCERT Textbook of Mathematics for Class XI and contains simplified text material in the form of class room notes and answers to all the questions in lucid language, it for sure will help the Class XI students in an effective way for Mathematics.

Bright Tutee's team of teachers has developed chapter-wise NCERT solutions for class 10th Mathematics chapter 2 - Polynomials. You can access these solutions on your device whether it's a smartphone or desktop. They are available in PDF formats. You do not have to pay us anything for this great study resource. These solutions or textbook questions will significantly help you prepare for your CBSE 10th board exams. In these chapter-wise NCERT solutions, you will get access to detailed and stepwise explanations of each and every question and answer given in the chapter. This will help you clear your concepts and improve your problem-solving ability. Polynomials introduce students to different topics including - Geometrical Meaning of the Zeros of a Polynomial • Relationship between Zeros and Coefficients of a Polynomial • Division Algorithm for Polynomials/Polynomials are part of Algebra. Algebra carries 20 marks in the class 10th Maths board exams. Practising with the help of NCERT solutions will help you understand the chapter and score more marks from this section of the textbook. Now, what are you waiting for? Score full marks in Polynomials with the help of our NCERT solutions for class 10 Mathematics. You can also consider purchasing our Maths video course which has been designed by our experienced Maths teacher.

NCERT Solutions for Statistics can be downloaded from Bright Tutee for free. The NCERT (?????????) solutions cover all the exercises provided in the CBSE (???????) class 10th Maths textbook. You can download these solutions on your mobile phone or laptop or whatever device you may have and take their print outs so you can refer them easily whenever you need them. Chapter 14 in class 10 Maths (????) is on Statistics and introduces students with Mean of Grouped Data, Mode Of Grouped Data, Median Of Grouped Data, and Graphical Representation Of Cumulative Frequency Distribution. At Bright Tutee, we endeavor to enable students to learn better and score more marks in their board exams. Chapter-wise NCERT Solutions for Statistics are one of our initiatives to empower class 10 students to get mastery over concepts and solve questions like a pro. With the help of our NCERT solutions, any student can get better in chapter Statistics and score more marks from this chapter. Here you will find all the solutions of your textbook questions. The good thing is that you do not need to pay us anything to access these solutions. All you need to do get these free NCERT solutions is click on the given links and you will get it all on your mobile phone or laptop. We also urge our students to try out our paid courses which are designed to help you fall in love with Mathematics and improve your overall performance by 30 to 40 percent.

NCERT Solutions for Probability can be downloaded from Bright Tutee for free. The NCERT (?????????) solutions cover all the exercises provided in the CBSE (???????) class 10th Maths textbook. You can download these solutions on your mobile phone or laptop or whatever device you may have and take their print outs so you can refer them easily whenever you need them. Chapter 15 in class 10 Maths (????) is on Probability and introduces students with Probability — A Theoretical Approach. At Bright Tutee, we endeavor to enable students to learn better and score more marks in their board exams. Chapter-wise NCERT Solutions for Probability are one of our initiatives to empower class 10 students to get mastery over concepts and solve questions like a pro. With the help of our NCERT solutions, any student can get better in chapter Probability and score more marks from this chapter. Here you will find all the solutions of your textbook questions. The good thing is that you do not need to pay us anything to access these solutions. All you need to do get these free NCERT solutions is click on the given links and you will get it all on your mobile phone or laptop. We also urge our students to try out our paid courses which are designed to help you fall in love with Mathematics and improve your overall performance by 30 to 40 percent.

NCERT (?????????) solutions for class 10th Mathematics (Ganit) chapter 4 - Quadratic Equations for free in PDF formats. You can download these solutions on every compatible device including a smartphone and laptop. These solutions are very useful for CBSE (?????????) board students. You get access to all the chapter-wise solutions which help you with homework and exam preparation. You can take print out of the downloaded solutions and refer them whenever required. 'Quadratic Equations' is part of Algebra (?????????). Algebra (Beejgani) in class 10th (Kaksha Das) carries 20 marks in the board exams. Quadratic Equations introduce students to different topics including - Quadratic Equations • Solution of a Quadratic Equation by Factorisation • Solution of a Quadratic Equation by Completing the Square • Nature of Roots With the help of our comprehensive, chapter-wise NCERT solutions, you can master the concepts and improve your problem-solving ability. This kind of practice eventually helps you get confident and score more in the CBSE board exams. At Bright Tutee, we aim to empower every student, irrespective of their socio-economic backgrounds. That's why we make our solutions available for free. We also create world-class video lessons for class 10th, which strictly adheres to the latest syllabus (?????????) of CBSE board. You can consider learning with the help of these video lectures/lessons if you want to boost your learning and stand a good chance to score full marks in the exams.

Bright Tutee.com is one of the leading platforms for students in India where they learn from the best of teachers and become learners for a lifetime. Through this article, we will provide you with free NCERT (?????????) solutions for class 10th Mathematics (????) for chapter 6 - Triangles. These solutions are carefully prepared by our experienced teachers in line with the latest CBSE (?????????) board guidelines. All the Triangles questions along with their step-by-step solutions significantly help you master the chapter and revise the syllabus. You should download the NCERT solutions for chapter 6 if you really want to gain a command over Triangles. Triangles Sub-topics • Ex 6.1 – Similar Figures • Ex 6.2 – Similarity of Triangles • Ex 6.3 – Criteria for Similarity of Triangles • Ex 6.4 – Area of Similar Triangles • Ex 6.5 – Pythagoras Theorem Triangles are a part of your Algebra topics. In this chapter, you will learn about a lot of details and properties that define Triangles. With the help of our free to download NCERT solutions for this particular chapter, you will be in a much better position to understand the concepts of Triangles and solve all types of questions that may come from this chapter. At Bright Tutee, we are constantly innovating to make Mathematics more interesting and rewarding for our students. Along with free NCERT solutions for all the textbook chapters of Maths, we also empower our students in Mathematics with the help of our world-class video lessons. In this particular course for class 10 board students, you will not only get access to video lessons on each and every topic and chapter, but also be able to solve MCQs, assignments, question banks, and question papers. Together these resources will help you master all the Mathematical concepts and problems and you will stand a good chance to finish your paper well before time and score way better marks in your board exams than you ever scored before.

Bright Tutee website provides the latest NCERT solutions for chapter 5 - Arithmetic Progressions for class 10th Mathematics (????). These solutions are painstakingly created by our experienced teachers in line with the latest CBSE NCERT (?????????) guidelines and are available for free. You can download the solutions on any device including a smartphone, laptop, and desktop. The step by step NCERT solutions for chapter 5 help you revise the syllabus and master the chapter titled Arithmetic Progressions (AP). You should download the NCERT (?????????) solutions for chapter 5 if you really want to gain a command over Arithmetic Progression. Arithmetic Progressions Sub-topics • Ex 5.1 – Introduction to Arithmetic Progressions • Ex 5.2 – Arithmetic Progressions • Ex 5.3 – nth Term of an AP • Ex 5.4 – Sum of First n Terms of an AP • Ex 5.5 – Summary NCERT solutions on our website are constantly reviewed by our panel of experts and empower you to get better in AP and eventually help you to score more marks in Maths exams. So, what are you waiting for, then? Immediately download our free NCERT solutions for Arithmetic Progressions. You can then take their print outs and refer the solutions whenever you need them while revising your syllabus or completing your homework.

NCERT Solutions for Circles can be downloaded from Bright Tutee for free. The NCERT (?????????) solutions cover all the exercises provided in the CBSE (?????????) class 10th Maths textbook. You can download these solutions on your mobile phone or laptop or whatever device you may have and take their print outs so you can refer them easily whenever you need them. Chapter 10 in class 10 Maths (????) is on Circles and introduces students with Tangent to a circle, Number of Tangents from a Point on a Circle. At Bright Tutee, we endeavor to enable students to learn better and score more marks in their board exams. Chapter-wise NCERT Solutions for Circles are one of our initiatives to empower class 10 students to get mastery over concepts and solve questions like a pro. With the help of our NCERT solutions, any student can get better in chapter Circles and score more marks from this chapter. Here you will find all the solutions of your textbook questions. The good thing is that you do not need to pay us anything to access these solutions. All you need to do get these free NCERT solutions is click on the given links and you will get it all on your mobile phone or laptop. We also urge our students to try out our paid courses which are designed to help you fall in love with Mathematics and improve your overall performance by 30 to 40 percent.

It's easy to score full marks in Trigonometry (?????????????) if your concepts are clear and you have done enough practice. Our NCERT (?????????) solutions for chapter 9 - Some Applications of Trigonometry - help you master the concepts and solve all the exercises and questions. You can download the solutions for free and score full marks in CBSE (???????? ??????) class 10th (kaksha das) board exams. In chapter 9, you learn about the applications of Trigonometry (Trigonometry). In topic 9.1, you will learn about 'Heights and Distances'. The best way to crack this chapter is to clear all your Trigonometric concepts and formulas as many problems as possible. This is where, NCERT solutions, prepared by our team of experts, help you. By mastering the concepts, you stand a good chance to score full marks in class 10 Maths board exams. We provide our NCERT solutions for class 10th Maths for free. You can download these solutions on your mobile phone, desktops, laptops, etc. You can also take their print outs so that you can refer them whenever you need to revise your syllabus. Apart from our free to download NCERT Solutions for chapter 9, you can also consider our paid video courses prepared by our teachers who have decades of experience. In these video lessons, our teachers decode the entire Mathematics for you. Within a short period of time, Maths becomes easy for you. You master the concepts. You start solving the questions like a champion. And your chances to score full marks in the board exams automatically go up.

Looking for NCERT (?????????) solutions for class 10th Mathematics (Ganit) chapter 3 - Pair of Linear Equations in Two Variables? You've reached the right place. Here, you can download the most updated chapter-wise CBSE (?????????) NCERT solutions on your device including a smartphone and laptop. The solutions come to you in PDF formats and help you get over the fear of Maths. In these solutions, our teachers explain the textbook questions in the most lucid manner possible. Your conceptual understanding gets better. Your confidence soars. And together these things help you to score more in your class 10th board exams. 'Pair of Linear Equations in Two Variables' is part of Algebra (?????????). Algebra (Beejgani) in class 10th (Kaksha Das) carries 20 marks in the board exams. Polynomials introduce students to different topics including - Pair of Linear Equations in Two Variables • Graphical Method of Solution of a Pair of Linear Equations • Algebraic Methods of Solving a Pair of Linear Equations • Equations Reducible to a Pair of Linear Equations in Two Variables You can download the PDFs of 'Linear Equations in Two Variables' for free. We do not charge you anything for these PDFs. Our goal is to help you with Maths, so you can study better and score more. And we do this by clearing your concepts and making your practice endlessly. To get more marks, you should also consider learning from our videos-based Maths course for class 10th, which strictly adheres to the latest syllabus (?????????) of CBSE board, and makes learning a world-class experience.
