Paintings and sculptures come to life when a young girl visits the Metropolitan Museum of Art with her classmates. What starts as just another tour of the museum becomes a joyful parade as the art, which must not be touched, touches the young museum-goers in surprising ways. Images of works in New York's Metropolitan Museum of Art are beautifully illustrated as dynamic characters by Luciano Lozano Raya in

this wordless picture book. Famous paintings and sculptures from throughout the museum will be recognizable to adults while the mischievous breaking of the fourth wall will delight younger readers.

A night at the museum and a broken sculpture lead to artistic injustice—unless Nancy Drew and the Clue Crew can find the true culprit! Nancy, Bess, and George are so excited. Their favorite new art teacher, Miss Alcott, is taking them on their best class trip yet—a sleepover at the River Heights museum! The girls can't wait to see some famous paintings, eat fancy food at the museum cafeteria, and have a great time with their classmates on the sleepover. But when an expensive sculpture gets broken, the River Heights students get blamed. Nancy knows her class didn't do it, so it's up to the Clue Crew to find the real culprit before Miss Alcott gets in trouble and the whole field trip is ruined!

PJ masks are on their way, into the night to save the day! By day, they are Connor, Greg and Amaya, but by night they are Catboy, Gekko and Owlette, the PJ Masks. Join them in this super-cool adventure storybook based on the episode 'Gekko and the Mayhem at the Museum' - Romeo has made a Big Box of Bad and has made the museum his headquarters. If the PJ Masks don't stop him, Romeo will control the whole city! Catboy, Owlette and Gekko must work together to beat the baddie. Also available: PJ Masks: PJ Robot and PJ Masks: Super Sticker Scenes

His father and everybody else at the museum in New York is excited over the dinosaur eggs that Mike Evans found in Montana--the trouble is they are hatching and Mike will need the help of his mysterious and time-traveling friend Shannon to capture them before they wreck the museum.

Download Ebook Mayhem At The Museum A Pj Masks Story Book

From a Pulitzer Prize-winning historian comes a riveting history of New York's iconic public hospital that charts the turbulent rise of American medicine. Bellevue Hospital, on New York City's East Side, occupies a colorful and horrifying place in the public imagination: a den of mangled crime victims, vicious psychopaths, assorted derelicts, lunatics, and exotic-disease sufferers. In its two and a half centuries of service, there was hardly an epidemic or social catastrophe—or groundbreaking scientific advance—that did not touch Bellevue. David Oshinsky, whose last book, *Polio: An American Story*, was awarded a Pulitzer Prize, chronicles the history of America's oldest hospital and in so doing also charts the rise of New York to the nation's preeminent city, the path of American medicine from butchery and quackery to a professional and scientific endeavor, and the growth of a civic institution. From its origins in 1738 as an almshouse and pesthouse, Bellevue today is a revered public hospital bringing first-class care to anyone in need. With its diverse, ailing, and unprotesting patient population, the hospital was a natural laboratory for the nation's first clinical research. It treated tens of thousands of Civil War soldiers, launched the first civilian ambulance corps and the first nursing school for women, pioneered medical photography and psychiatric treatment, and spurred New York City to establish the country's first official Board of Health. As medical technology advanced, "voluntary" hospitals began to seek out patients willing to pay for their care. For charity cases, it was left to Bellevue to fill the void. The latter decades of the twentieth century brought rampant crime, drug addiction, and homelessness to the nation's struggling cities—problems that called a public hospital's very survival into question. It took the AIDS crisis to cement Bellevue's enduring place as New York's ultimate

safety net, the iconic hospital of last resort. Lively, page-turning, fascinating, Bellevue is essential American history.

Mayhem in the Museum Everyone is excited about the Installation party when the artist Dot will unveil her new painting. But when two ghosts appear and steal the painting and kidnap Dot's mother there really is mayhem in the museum! Audiences will enjoy the hilarious attempts of the detectives, Chef, Art Director and wiggly school children as they try to solve this comedy mystery! A great resource for anyone who works with youth 6-13 years old. This royalty free play comes with permission to make photocopies of the script. Flexible cast 17-27-perfect for any group! Includes lesson plans and tips to help beginning directors!

In these tales that tie in to the upcoming Warner Bros. movie Wonder Woman 1984, when a failed burglary attempt causes a hostage situation at the Smithsonian Museum of Natural History, Diana Prince is forced to leave her teenage tour group behind so that Wonder Woman can save the day! But will Wonder Woman be able to bring 10 gunmen to justice and get back to her tour group in time? And in a second story, it ' s the eighties, and greed is good-as long as you already have it all! Wonder Woman and Steve Trevor hunt down the reckless mastermind who makes the ultimate power move by stealing Diana ' s golden lasso!

As the United States commits itself to a renewed military effort in Afghanistan, the author explains why American politicians and statesmen have so often stumbled in their foreign policy.
