To Piper Anderson, fate has always been that unavoidable circumstance that befalls a person. Some people are destined to be happy, and others, like Piper, have a rougher road. Each time she tries to step off her predetermined path in search of happiness, someone or something drags her back to it. Heartbroken after Bobby allows his own past to come between them, Piper is eager to leave Edenville behind. With Jules as her companion, she heads back to New York, the place where it all began, in search of a piece of her history that isn't tarnished. Although finding the truth isn't nearly as difficult as Piper imagined it would be, she can't shake the feeling that what she has discovered may be too good to be true. Can Piper find what she is looking for and finally change her own fate?

Now in its Fourth Edition, Watkins Manual of Foot and Ankle Medicine and Surgery provides residents with quick access to essential information on anatomy, pharmacology, microbiology, disease prevention, and management of foot and ankle disorders. In an easy-to-digest list format, it offers concise yet comprehensive coverage of everything from arthritis, imaging, and wound care to implants, pediatrics, and trauma – all at your fingertips in one convenient place.

This full-color manual is a unique guide for students conducting the comparative study of representative vertebrate animals. It is appropriate for courses in comparative anatomy, vertebrate zoology, or any course in which the featured vertebrates are studied.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt
