Homework Manager is a Web-based supplement that duplicates problem structures directly from the end-of-chapter material in the book, using algorithms to provide a limitless supply of online self-graded practice for students, or assignments and tests with unique versions of every problem. Homework Manager is also a useful grading tool. All assignments can be delivered over the Web and are graded automatically, with the results stored in your private gradebook. Detailed results let you see at a glance how each student does on an assignment or an individual problem—you can even see how many tries it took to solve the application. This product can be packaged with the text, or can be purchased online via the text's Online Learning Center. Go to the web site and select the MH Homework Manager link at left. Specific instructions for purchasing a registration code will be found at this site.

The emphasis of this text is to teach students how to use and interpret accounting information in managing an organization. It includes: coverage of contemporary topics; a balanced use of service/retail/non-profit and manufacturing companies; and a company focus per chapter.
