With a little free time, some hands-on play, and a big imagination, magical things can happen. In I Love My Dragon, a dragon-loving boy shares the many ways he and his dragon have fun together. Everybody knows your typical dragon breathes fire. But when Crispin tries to breathe fire on his seventh birthday, fire doesn't come out—only whipped cream! Each time Crispin tries to breathe fire, he ends up with Band-Aids marshmallows teddy bears? Crispin wonders if he'll ever find his inner fire. But when a family emergency breaks out, it takes a little dragon with not-so-typical abilities to save the day. With wry humor and whimsical illustrations, Not Your Typical Dragon is the perfect story for any child who can't help feeling a little bit different.

This enhanced eBook features read-along narration. On a beautiful day at the beach, a young boy brings his bucket, shovel, and imagination, and builds a perfect sand castle. Right away, a dragon moves in. The boy decides to befriend his dragon and they spend time roaming the shore, flying a kite, braving the waves, defying bullies, and roasting marshmallows—all while Dad is busy sunbathing and Mom is engrossed in her book. Unfortunately, no one believes the boy when he tries to share the news of this magnificent creature. That's when the mischief begins, and the dragon becomes a force to be reckoned with. While adults will recognize the naughty antics as a ploy for attention, children will dissolve into giggles as the dragon devours every last sandwich, blows bubbles in the lemonade, and leaves claw prints in the brownies. Maybe the dragon really is running amok on the beach, or maybe it's a little boy's imagination that is running wild.

In this enchanting book, Jackie Morris conjures a world where everyone has their own dragon, exploring all their variety through lyrical text and beautifully realised illustrations.
