For første gang på 77 år utgis Adolfs Hitlers Mein Kampf på norsk. Dag Biseth har oversatt boken og historiker Anders G. Kjøstvet har skrevet forord til alle kapitlene samt et

omfattende kommentarverk som blant annet korrigerer Hitlers beskrivelse av egen oppvekst. Hitler skrev boken i to bind. "Et oppgjør" ble første gang utgitt i Tyskland i 1925, og andre bind, "Den nasjonalsosialistiske bevegelse" utkom i 1926. I mai 1930 utkom Mein Kampf for første gang i en ettbindsutgave, og frem til krigens slutt ble det solgt 12,5 millioner eksemplarer. Den nye, norske utgaven er komplett med begge bind og er på 833 sider.

For første gang på 77 år utgis Adolf Hitlers Mein Kampf i ny, norsk oversettelse. Boken er oversatt av Dag Biseth. Han er medlem av Norsk faglitterær forfatter- og oversetterforening og har i 25 år oversatt rundt 200 bøker fra tysk, engelsk, svensk og dansk. Den nye utgivelsen er en kommentert utgave med omfattende forklaringer og korrigeringer av Hitlers tekst. Dette er skrevet av historiker Anders G. Kjøstvedt som har en doktorgrad i nazibevegelsen i Weimarrepublikkens Berlin. Kjøstvedt har i flere år forsket på nazismen som ideologi, politisk bevegelse og regime. Hitler skrev boken i to bind. « Et oppgjør » ble første gang utgitt i Tyskland i 1925, og andre bind, « Den nasjonalsosialistiske bevegelse » utkom i 1926. I mai 1930 utkom Mein Kampf for første gang i en ettbindsutgave, og frem til krigens slutt ble det solgt 12,5 millioner eksemplarer. Den nye, norske utgaven er komplett med begge bind og den trykte utgaven er på 833 sider.

The unpublished followup to Hitler's autobiography never published during the dictator's lifetime includes details of his vision for a foreign policy based on continual aggression that would inevitably result in a confrontation with the United States, which he saw as a major stumbling block to his plans.

An autobiographical novel focuses on a young man trying to make sense of his place in the disjointed world that surrounds him.

Regarded as the second most important book to come out of Nazi Germany, Alfred Rosenberg's *Der Mythus des zwanzigsten Jahrhunderts* is a philosophical and political map which outlines the ideological background to the Nazi Party and maps out how that party viewed society, other races, social ordering, religion, art, aesthetics and the structure of the state. The "Mythus" to which Rosenberg (who was also editor of the Nazi Party newspaper) refers was the concept of blood, which, according to the preface, "unchains the racial world-revolution." Rosenberg's no-holds-barred depiction of the history of Christianity earned it the accusation that it was anti-Christian, and that unjustified controversy overshadowed the most interesting sections of the book which deal with the world racial situation and the demand for racially homogenous states as the only method to preserve individual world cultures. Rosenberg was hanged at Nuremberg on charges of "waging wars of aggression" even though he had never served in the military, and it is likely that he was hanged purely because of this book. Contents Preface Book One: The Conflict of Values Chapter I. Race and Race Soul Chapter II. Love and Honour Chapter III. Mysticism and Action Book Two: Nature of Germanic Art Chapter I. Racial Aesthetics Chapter II. Will And Instinct Chapter III. Personality And Style Chapter IV. The Aesthetic Will Book Three: The Coming Reich Chapter I. Myth And Type Chapter II. The State And The Sexes Chapter III. Folk And State Chapter IV. Nordic German Law Chapter V. Church And School Chapter VI. A New System Of State Chapter VII. The Essential Unit

An eminent historian recounts the Nazi rise to power from his unique perspective as a Jewish boy growing up in Munich with Adolf Hitler as his neighbor. Edgar Feuchtwanger came from a prominent German Jewish family: the only son of a respected editor, and the nephew of best-selling writer Lion Feuchtwanger. He was a carefree five-year-old, pampered by his parents and his nanny, when Adolf Hitler, the leader of the Nazi Party, moved into the building across the street in Munich. In 1933 his happy young life was shattered. Hitler had been named Chancellor. Edgar's parents, stripped of their rights as citizens, tried to protect him from increasingly degrading realities. In class, his teacher had him draw swastikas, and his schoolmates joined the Hitler Youth. From his window, Edgar bore witness to the turmoil surrounding the Night of the Long Knives, the Anschluss, and Kristallnacht. Jews were arrested; his father was imprisoned at Dachau. In 1939 Edgar was sent on his own to England, where he would make a new life, start a career and a family, and try to forget the nightmare of his past—a past that came rushing back when he decided, at the age of eighty-eight, to tell the story of his buried childhood and his infamous neighbor.

Suzanne Brøgger har skrivit en samling krönikor och anteckningar om Norge! Hon har rest runt och samtalat med konstnärer och samhällsdebattörer för att komma på vad det är som gör just Norge så speciellt. Hon framhåller också de nordiska ländernas gemensamma potential: ett förenat Norden borde bli det nya! Men självfallet handlar det mer än om Norge, Norden och norska omeletter. Det handlar också om förhållanden och fenomen som präglar vår tid. Med ålderns rätt sätter sig Brøgger på en hög barstol mitt i lokalen och iakttar den nya världen omkring sig. Så mycket av det gamla är nu borta och förbi. Många har svårt att navigera och känna igen sig i det nya och inte blir det bättre av att samhället till stor del har mist sin bildning och sin kultur. Författaren Suzanne Brøgger ger sig själv rätten att flanera fritt, göra egna iakttagelser och framföra sina högst personliga åsikter. I sin nya bok *Norsk Omelett* bjuder hon på allt det som vi läsa har lärt oss att älska: den provocerande, den bildade, den belästa, den roliga och den alltigenom uppfriskande författarblicken.

A New York Times Best Seller! The classic real-life story of the superspy whose vast intelligence network helped defeat the Nazis in World War II. *A Man Called Intrepid* is the account of the world's first integrated intelligence operation and of its master, William Stephenson. Codenamed INTREPID by Winston Churchill, Stephenson was charged with establishing—and running—a vast, worldwide intelligence network to challenge the terrifying force of Nazi Germany. Nothing less than the fate of Britain and the free world hung in the balance as INTREPID covertly set about stalling the Nazis by any means necessary. First published in 1976, *A Man Called Intrepid* was an immediate bestseller. With over thirty black-and-white photographs and countless World War II secrets, this book revealed startling information that had remained buried for decades. Detailing the infamous "Camp X" training center in Ontario, Canada; the miraculous breaking of the Ultra Code used by the Enigma Machine; and dozens of other stories of clandestine missions, *A Man Called Intrepid* is an undisputed modern classic. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne

Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

"The swastika and similar symbols were employed by the ancestors of the modern-day Germans. With the Nazi seizure of power, studies of such ideographs became directly supported by the state. The Science of the Swastika is the first theoretically informed study of the relationship between an academic discipline and what the Nazis termed their Weltanschauung. It surveys the fate of Old Germanic studies under the Nazis, a discipline of especial interest to the forces of German reaction. German swastika studies also gave rise to the SS-Ahnenerbe, the antiquarian research organization through which medical experiments were later to be performed on the inmates of concentration camps. The Old Germanic studies of the Nazi period proved to be a creative foil to the almost overwhelmingly destructive side of National Socialism."--BOOK JACKET.
