Fiction Book Review: MERCY AMONG THE CHILDREN by David---

Overview: David Richards's gritty, allegorical novel, *Mercy Among the Children*, won the 2000 Giller Prize for Canadian literature. The novel, set in rural New Brunswick in the latter half of the 20th century, chronicles three generations of the Henderson family and their sufferings. The tale is told by the scruffy, young Lyle Henderson, who has faltered from the humble roots of his saint-like family.

Mercy among the Children by David Adams Richards (2002)---

Such is the case with David Adams Richards' Giller Award winning novel, *Mercy Among the Children*. Told through the unreliable narrator of Lyle Henderson, son of the main protagonist and chief underdog in the story, Sydney Henderson, *Mercy Among the Children* is an epic tale of hypocrisy and greed, of ignorance and poverty not only of economics but of morality.

Mercy Among the Children received effusive praise from the critics, was nominated for a Governor General's Award and won the Giller Prize. It was named one of 2000's best books, became a national bestseller in hardcover for months, and would be published in the US and UK. It is seen, however, as being at odds with literary fashion for concerning itself with good and evil and the human freedom to choose between them — an approach that puts Richards, as Maclean's magazine says, firmly in the tradition of Tolstoy and Dostoevsky. Author Wayne Johnston recounts hearing Richards read in 1983 and being struck by his unqualified love for every one of his characters, even though "it was not then fashionable to love your characters." Pottersfield Portfolio editor Tony Tremblay calls Richards the most misunderstood Canadian writer of the century, and a "great moralist", comparing him to Morley Callaghan, Kafka and Melville. As a boy, Sydney Henderson thinks he has killed Connie Devlin when he pushes him from a roof for stealing his sandwich. He vows to God he will never again harm another if Connie survives. Connie walks away, laughing, and Sydney embarks upon a life of self-immolating goodness. In spite of having educated himself with such classics as Tolstoy and Marcus Aurelius, he is not taken seriously enough to enter university because of his background of dire poverty and abuse, which leads everyone to expect the worst of him. His saintly generosity of spirit is treated with suspicion and contempt, especially when he manages to win the love of beautiful Ely. Unwilling to harm another in thought or deed, or to defend himself against false accusations, he is exploited and tormented by others in his rural community, and finally implicated in the death of a 19-year-old boy. Lyle Henderson knows his father is innocent, but is angry that the family has been ridiculed for years, and that his mother and sister suffer for it. He feels betrayed by his father's passivity in the face of one blow after another, and unable to accept his belief in long-term salvation. Unlike his father, he cannot believe that evil will be punished in the end. While his father turns the other cheek, Lyle decides the right way is in fighting, and embarks on a morally empty life of stealing, drinking and violence. A compassionate, powerful story of humanity confronting inhumanity, it is a culmination of Richards' last seven books, beginning with *Road to the Stilt House*. It takes place in New Brunswick's Miramichi Valley, like all of his novels so far, which has led some urban critics to misjudge his work as regional — a criticism leveled at Thomas Hardy, Joseph Conrad and Emily Brontë in their own day. Like his literary heroes, Richards aims to evoke universal human struggles through his depiction of the events of a small, rural place, where one person's actions impact inevitably on others in a tragic web of interconnectedness. The setting is extremely important in Richards' work, "because the characters come from the soil", but as British Columbia author Jack Hodgins once told Richards, "every character you talk about is a character I've met here in Campbell River".

When twelve-year-old Sidney Henderson pushes his friend Connie off the roof of a local church in a moment of anger, he makes a silent vow: Let Connie live and I will never harm another soul. At that very moment, Connie stands, laughs, and walks away. Sidney keeps his promise through adulthood despite the fact that his insular, rural community uses his pacifism to exploit him. Sidney's son Lyle, however, assumes an increasingly aggressive stance in defense of his family. When a small boy is killed in a tragic accident and Sidney is blamed, Lyle takes matters into his own hands. In his effort to protect the people he loves -- his beautiful and fragile mother, Ely, his gifted sister, Autumn, and his innocent brother, Percy -- it is Lyle who will determine his family's legacy.

Blaming himself for the death of another child, twelve-year-old Sidney Henderson takes a vow of non-violence that lasts into adulthood, when an act of violence forces him to turn his back on his promise never to harm another human being. 35,000 first printing

David Adams Richards' Governor General's Award-winning novel is a powerful tale of resignation and struggle, fierce loyalties and compassion. This book is the first in Richards' acclaimed Miramichi trilogy. Set in a small mill town in northern New Brunswick, it draws us into the lives of a community of people who live there, including: Joe Walsh, isolated and strong in the face of a drinking problem; his wife, Rita, willing to believe the best about people; and their teenage daughter Adele, whose nature is rebellious and wise, and whose love for her father wars with her desire for independence. Richards' unforgettable characters are linked together in conflict, and in articulate love and understanding. Their plight as human beings is one we share.

David Adams Richards finds universal truths in the very particular setting of New Brunswick's Miramichi Valley. This, his first novel, provides a window upon a world that is as unsettling, as uncontrollable, and as inescapably authentic as a sudden brawl. The frustrations of the community are brought into focus in the plights of 20-year-old Kevin Dulse, his family, and especially his wild young friends. An intensely realistic story, it stands firm upon its engaging, unaffected characters and the raw talent of its then 22-year-old author.

Growing up in a prominent lumber family in the Miramichi, brothers Will and Owen Jameson know little of the world beyond their town and the great men who work the forest, including their father. But as young men, the boys couldn't be more different — where seventeen-year-old Will is headstrong and rugged, able to hold his own in the woods or in a fight, Owen, three years his junior, is literary and sensitive. What worries their mother Mary, however, is the prophecy told to her by a local woman upon Will's birth: "that her first-born would be a powerful man and have much respect — but his brother would be even greater, yet destroy the legacy by rashness, and the Jameson dynasty [would] not go beyond that second boy." She tries to laugh it off, but the prophecy becomes a part of local legend and hangs over the heads of the boys like a dark cloud. When their father dies in a freak accident and the management of the Jameson tracts and company falters, Will, as the true inheritor of his father's "shrewd mind and fists to match," quits school to take over. He's a strong leader of men, but perhaps too strong at times, and dies while clearing a log jam during a run. Reggie Glidden, Will's best friend and the Push of the Jameson team, takes Owen under his wing, searching for any small sign that the younger boy has his brother's qualities. But Owen knows his limitations and, after his brother's death and then rejection by the girl of his dreams, Lula Brower, he joins the army and heads off to war hoping to get himself killed. Instead, he returns a decorated war hero. Then he falls in love with the beautiful, childlike Camellia — the wife of Reggie Glidden — and soon Owen and Camellia find themselves watched on all sides, caught in the teeth of an entire town's gossip and hypocrisy despite the innocence of their relationship. But for the community, it's as if taking Owen Jameson — and therefore the whole Jameson family — down a peg or two will give them control over their changing world. Inexorably, Owen and Camellia are pulled into a chain of events that will end with death, disappearance, and a sensational trial. At the same time, realizing his destiny, Owen takes over the family business and begins what will become the greatest cut in New Brunswick history, his men setting up camp on the notoriously dangerous Good Friday Mountain. The teamsters spend months in fierce ice and snow, daily pitting themselves against nature and risking their lives for scant reward, in the last moments before the coming of mechanization that will make them obsolete. This heroic, brutal life is all Meager Fortune, the camp keeper, knows. A good and innocent man, he shows unexpected resolution in the face of the betrayals of the more worldly men around him. With *The Friends of Meager Fortune*, award-winning author David Adams Richards continues his exploration of New Brunswick's Miramichi Valley, both the hard lives and experiences that emerge from that particular soil and the universal human matters that concern us all: the work of the hands and the heart; the nature of true greatness and true weakness; the relentlessness of fate and the good and evil that men and women do. It is a devastating portrait of a society, but it is also a brilliant commemoration of the passing of a world — one that cements David Adams Richards' place as the finest novelist at work in Canada today.

Cindi and Ivan Basterache have been married only twenty months. There is a disagreement over a loan, and rumours of violence in the ensuing quarrel begin to spread throughout the northern New Brunswick mill town in which they live, setting in motion a series of events and misunderstandings. As Ivan struggles to reconcile with Cindi, the community turns against him, fuelled by his father's self-deluded lies and misguided attempts to set things right, exposing the other side of good intentions and leading to the novel's powerful conclusion. Disturbing, tender-hearted, and at times darkly humorous, *Evening Snow Will Bring Such Peace* reveals the strange unrecognized power in us all to shape one another's destinies.

Written in taut, penetrating prose, Richards' new novel offers a wide array of unforgettable characters. All are wrestling with issues of integrity, self-preservation, and power in the close confines of their coastal community, and tragedy is waiting to happen. Home from college for the summer is Karie Smith, whose deep longing for a more exciting life makes her especially vulnerable to the shady world between the decent and the dark. The summer becomes fraught with misadventures and abrupt changes in fortune, but it is only in the aftermath of a senseless murder that the real truth emerges. In this richly textured tale, *THE BAY OF LOVE AND SORROW*'s exposes the heart of fierce need and the profligate greed of humankind, and explores the possibility of redemption in whatever circumstances people find themselves. This novel speaks to us, empowers us and enlightens us as Richards reveals the mist of moral uncertainty and the desperation of small-town life. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

FBI Agent Atlee Pine's harrowing search for her long-lost sister Mercy reaches a boiling point in this breakneck thriller from #1 New York Times bestselling author David Baldacci. For her entire life, FBI agent Atlee Pine has been searching for her twin sister, Mercy, who was abducted at the age of six and never seen again. Mercy's disappearance left behind a damaged family that later shattered beyond repair when Atlee's parents inexplicably abandoned her. Now, after a perilous investigation that nearly proved fatal, Atlee has finally discovered not only the reason behind her parents' abandonment and Mercy's kidnapping, but also the most promising breakthrough yet: proof that Mercy survived her abduction and then escaped her captors many years ago. Though Atlee is tantalizingly close to her family at last, the final leg of her long road to Mercy will be the most treacherous yet. Mercy left at least one dead body behind before fleeing her captors years before. Atlee has no idea if her sister is still alive, and if so, how she has been surviving all this time. When the truth is finally revealed, Atlee Pine will face the greatest danger yet, and it may well cost her everything.

What had happened, from those days until now? And why had it? And how had his life gone? And who was to blame? Or why did he think he had to blame anyone? Certainly he couldn't even blame Mr. Roach, caught in the same turmoil as everyone believing half-truths in order to blame other people. These are the forlorn thoughts of Alex Chapman, the tragic anti-hero of David Adams Richards' masterful novel *The Lost Highway*. An exploration of the philosophical conitions of which man is capable, the novel tracks the desperate journey of an eternally lost and orphaned child/man who has nearly squandered his frail birthright but might yet earn some degree of redemption. David Adams Richards' *The Lost Highway* is a taut psychological thriller that goes far beyond the genre into the worlds of Leo Tolstoy, and Emily Brontë's *Wuthering Heights*, as well as classical Greek mythology, testing the very limits of humankind's all too tenuous grasp on morality.
