Mice can be fascinating pets for people who like to watch their natural behaviour, like building nests and rummaging around for food. They usually sleep during the day and are more active in the evening and at night but can adapt to a new routine. Mice are small, fast moving and can bite when handled roughly or frightened.

Offers practical advice on keeping rats as pets, and includes information on their housing and health care

Discusses the life of pet mice focusing on their origin, physical characteristics, feeding, caging, breeding, health care, and more.

Smartly dressed mice give sage advice on all elements of proper pet care in this photographic picture book. Who hasn 't yearned for the perfect pet? The mice in this book—hand-sewn and inhabiting enchanting, diorama-style scenes—know all about critter care, and they 're here to share wise words about choosing and keeping animal companions. Whimsical images of the mice with their own petite pets, including bumblebees, ladybugs, and butterflies, complement the warm humor of this extraordinary picture book that 's truly like no other!

Very basic information about mice and how to care for them.

If you are considering getting a pet mouse this is an absolute 'must read' book for you. It covers everything you need to give your furry little friend a happy healthy life, answering all your questions. Inside you'll discover the huge range of different breeds so you can choose the perfect one for you. I cover the important stuff like how to choose a healthy mouse from the start (these tips are really important), plus should you select male or female and look after just one or have a few mice? You'll also have the perfect care guide including the correct temperature and lighting, plus what you should be feeding - and more importantly what to avoid! You would be surprised. There is also a great section on mice health. If your mouse does get ill here's what to do and what to look out for. If you want to start breeding I'll share with you a few tips the experts use. Did you know you can actually train your mouse? I'll show you how. You'll both have great fun. Discover all of this and lots more. The perfect guide for mice owners. Hope you enjoy it - Ben Little.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

Tom & Jerry meets Home Alone in this comedy farce!
