Michael is a masculine given name derived from the Hebrew phrase ‏מִיכָאֵל‎, “ Who [is] like-EI ” , in Aramaic: ‏ܡܝܚܐܠ‎ (M kh I [mi a el]).The theophoric name is a rhetorical question – "Who [is] like [the Hebrew God] EI?", whose answer is “ there is none like EI ” , or "there is none as famous and powerful as god". ". This question is known in Latin as ...

Michael - Wikipedia

Directed by Nora Ephron. With John Travolta, Andie MacDowell, William Hurt, Bob Hoskins. Two tabloid reporters checking out a report of the Archangel Michael living with an old woman find that it's true. But that's not the only surprise.

Michael (1996) - IMDb

Michael, in the Bible and in the Qur ’ an, one of the archangels. He is repeatedly depicted as a warrior and the leader of the heavenly hosts. In Christianity he came to be regarded as the helper of the church against the attacks of the Devil. Learn more about Michael, including scriptural references and feast days.

Michael | Description, History, & Feast Days | Britannica

Michael is mentioned three times in the Book of Daniel. The idea that Michael was the advocate of the Jews became so prevalent that, in spite of the rabbinical prohibition against appealing to angels as intermediaries between God and his people, Michael came to occupy a certain place in the Jewish liturgy.

Michael (archangel) - Wikipedia

Concluding the trilogy that started with the bestselling memoir *First They Killed My Father*, Loung Ung describes her college experience and her first steps into adulthood, revealing her struggle to reconcile with her past while moving forward towards happiness. After the violence of the Khmer Rouge and the difficult assimilation experience of a refugee, Loung's daily struggle to keep darkness, anger, and depression at bay will finally find two unexpected allies: the empowering call of activism, and the redemptive power of love. *Lulu in the Sky* is the story of Loung's journey to a Cambodian village to reconnect with her mother's spirit; to a vocation that will literally allow her to heal the landscape of her birth; and to the transformative influence of a supportive marriage to a loving man.

Two friends tell what they like about each other--even the bad things.

In the Kingdom of Aran, in the Caucasus Mountains, in 950 A.D., two adventurers wander the region, plying their trade as swords for hire, until they become embroiled in a bloody coup in the medieval Jewish empire of the Khazars as bodyguards for a fugitive prince with a mysterious secret. Reprint. 75,000 first printing.

With a patented seven-bulb 1200-watt strobe lighting rig, Michael Muller dives to ocean depths around the world to photograph sharks with the same precision and proximity he achieved in Hollywood studios. This book brings together his most spectacular shots, including the first-known photograph of a great white breaching at night.

“ Magical prose stylist ” Michael Chabon (Michiko Kakutani, New York Times) delivers a collection of essays—heartfelt, humorous, insightful, wise—on the meaning of fatherhood. For the September 2016 issue of GQ, Michael Chabon wrote a piece about accompanying his son Abraham Chabon, then thirteen, to Paris Men ’ s Fashion Week. Possessed with a precocious sense of style, Abe was in his element chatting with designers he idolized and turning a critical eye to the freshest runway looks of the season; Chabon Sr., whose interest in clothing stops at “ thrift-shopping for vintage western shirts or Herm è s neckties, ” sat idly by, staving off yawns and fighting the impulse that the whole thing was a massive waste of time. Despite his own indifference, however, what gradually emerged as Chabon ferried his son to and from fashion shows was a deep respect for his son ’ s passion. The piece quickly became a viral sensation. With the GQ story as its centerpiece, and featuring six additional essays plus an introduction, Pops illuminates the meaning, magic, and mysteries of fatherhood as only Michael Chabon can.

If you're going to read one book about Hollywood, this is the one. As the co-founder of Creative Artists Agency, Michael Ovitz earned a reputation for ruthless negotiation, brilliant strategy, and fierce loyalty to his clients. He reinvented the role of the agent and helped shape the careers of hundreds of A-list entertainers, directors, and writers, including Steven Spielberg, Martin Scorsese, Meryl Streep, Sean Connery, Bill Murray, Robin Williams, and David Letterman. But this personal history is much more than a fascinating account of celebrity friendships and bare-knuckled dealmaking. It's also an underdog's story: How did a middle-class kid from Encino work his way into the William Morris mailroom, and eventually become the most powerful person in Hollywood? How did an agent (even a superagent) also become a power in producing, advertising, mergers & acquisitions, and modern art? And what were the personal consequences of all those deals? After decades of near-silence in the face of controversy, Ovitz is finally telling his whole story, with remarkable candor and insight.

Michael thinks school would be more fun without rules and gets his wish. But is it exactly what he was hoping for?

Here is the inspiring story behind the Veterans Day red poppy, a symbol that honors the service and sacrifices of our veterans. When American soldiers entered World War I, Moina Belle Michael, a schoolteacher from Georgia, knew she had to act. Some of the soldiers were her students and friends. Almost single-handedly, Moina worked to establish the red poppy as the symbol to honor and remember soldiers. And she devoted the rest of her life to making sure the symbol would last forever. Thanks to her hard work, that symbol remains strong today. Author Barbara Elizabeth Walsh and artist Layne Johnson worked with experts, primary documents, and Moina's great-nieces to better understand Moina's determination to honor the war veterans. A portion of the book's proceeds will support the National Military Family Association's Operation Purple®, which benefits children of the U.S. military.

Train to perform at the highest level with the lowest risk of injury. The enhanced e-book edition of New Functional Training for Sports, Second Edition, produces the best results on the court, field, track, and mat, not just in the weight room. Michael Boyle, one of the world ’ s leading sport performance coaches, presents the concepts, methods, exercises, and programs that maximize athletes ’ movements in competition. A series of functional assessments help in determining the design of a specific plan for each athlete. Self-reinforcing progressions in exercises for the lower body, core, upper body, and ultimately total body give athletes the balance, proprioception, stability, strength, and power they require for excelling in their sports. Sample programs assist in the customization process and ensure each aspect of preparation for physical performance. Boyle also draws on the latest research and his wealth of experience to offer programming advice and recommendations on foam rolling, stretching, and dynamic warm-ups. The enhanced e-book format for New Functional Training for Sports, Second Edition, goes beyond traditional exercise descriptions and explanations, incorporating full-color, high-definition composites of foundational movements and links to video demonstrations, commentary, and analysis of key exercises. The 71 video clips show how to perform exercises for lower body; core; upper body; plyometrics; Olympic lifting; and foam rolling, stretching, and dynamic warm-ups.
