Trapped underground, how will they escape? Midnight's Lair is a terrifying journey into evil by the highly acclaimed Richard Laymon. Perfect for fans of Stephen King and Dean Koontz. Mordock's cave is one of the wonders of the world: a place where, every year, thousands of sightseers go deep beneath the earth's surface to marvel at Nature's handiwork. But it's also home to things Nature never intended - violent, evil things. And when a power failure traps a group of tourists underground, the creatures emerge from the darkness... What readers are saying about [Midnight's Lair](#): "Written with Laymon's usual fast-paced, action-packed, no-holds-barred style of writing, you'll find the novel difficult to put down at any point, with the next horrifying event just around the corner" "This is 253 pages of pure splatterpunk heaven, delivering classic Laymon horror with a no-holds-barred approach and a reflection of his truly twisted imagination. Absolutely great stuff!" "The pace is frenetic, the characters are both endearing and repulsive, and the gratuitous violence is almost non-stop. Never have I read a book that could leave me slack-jawed with horror and something akin to awe"

One eventful night will change the lives of three friends forever... The Travelling Vampire Show is one of Richard Laymon's best-loved masterpieces - an evocative, nostalgic trip back to a time when innocence comes face to face with life's darker forces. Perfect for fans of Stephen King and Dean Koontz. 'This gloriously inventive piece is probably Laymon's best book yet... The prose here is rich and inventive, the atmosphere and scene-setting handled with real aplomb' - News International It's a hot August morning in 1963. All over the rural town of Grandville, tacked to power poles and trees, taped to store windows, flyers have appeared announcing the one-night-only performance of The Travelling Vampire Show. The promised highlight of the show is the gorgeous Valeria, the only living vampire in captivity. For three local teenagers, two boys and a girl, this is a show they can't miss. Even though the flyers say no one under eighteen will be admitted, they're determined to find a way. What follows is a story of friendship and courage, temptation and terror, when three friends go where they shouldn't go, and find much more than they ever expected. What readers are saying about [The Travelling Vampire Show](#): "The final scenes are filled with excitement and were enough to keep me awake until I'd finished the story - I don't think I could have put it down until I'd found out what happened and what was going on!" "Just when you think that you have the storyline figured out, it twists and hurtles into a surprise ending" "Expertly written, great dialogue, keeps you engrossed to the end"

Sf'bc> My best friend Crisanta Knight is quite good at storytelling—the sass, hyperbole, quick description of action. But I am not her, so I will be bringing my own voice to the table. While she went to Dreamland to wake a prince and princess from a sleeping curse, I stayed in Book to broker peace between the commons and our realm's higher-ups—a choice I was confident in until my friends returned without Crisa. If I had been with them could I have saved her? Jason Normally I had a lot on my to-do list—hero classes, captain my Twenty-Three Skidd team, fighting bad guys. Now there were only three things on my list: 1) Deal with the fact Blue shut me down after I told her about my feelings for her; 2) Respect her viewpoint but also change her perspective; 3) Figure out where the frack Crisa disappeared to and bring her home. Daniel I was never sure I deserved to be called a “hero,” but I'd been trying to earn it. My friends needed me to be one. Yet, despite fighting my hardest, I failed and a friend slipped through the cracks. So I didn't care if I could turn to stone by invoking Midnight Law—if it was my best shot at bringing her home, I would follow the enchantment to Oz, Wonderland, Earth, and wherever else it took me. Blue Things had already gotten complicated when Jason made his... pronouncement. But now Crisa was lost and in danger, our enemies set on forcing her to lose control of her Pure Magic so she'd turn dark and help them conquer our realm. Which meant I had to make sure the two heroes magically able to find her made the right moves, and be willing to shake up the world like a dang salad mixer to keep the peace and save what mattered most.

"After eleven-year-old Ollie's school bus mysteriously breaks down on a field trip, she has to take a trip through scary woods, and must use all of her wits to survive. She must stick to small spaces"--

It's 1938, and the tentacles of Hitler's terrifying Third Reich have commenced their stranglehold on Europe. The Nazi empire will soon be clean of all bloodlines deemed tainted or undesirable...including vampires. London's ancient tribunal of vampires is aghast at the destruction taking place on the Continent. Though vampires try not to interfere with human politics, Hitler's terrible plans force them into action. They resolve to send five of their most formidable vampires to Berlin—millennials that have lived over 1000 years and whose age and wisdom make them close to invulnerable—to infiltrate, disrupt, and destroy the growing Nazi war machine. The brilliant and beautiful millennial Brigit is loath to go, but her powers are needed if the mission is to have any chance of success. She must summon all her strength to endure the separation from her lover Eamon, whom she made almost eight centuries ago, but whose lack of millennial status makes him an unacceptable choice for this operation. Though he longs to join her, his duty to Brigit is best served from afar, by nurturing their deep psychic connection and reinforcing her spirit with his fierce devotion and memories of his tender embrace. But as the millennials attempt to penetrate and sabotage Hitler's armies, they discover that the Nazis are more capable than any human force they've yet encountered and more monstrous than they'd ever imagined. Forced to take bolder, more dangerous steps, they soon attract the attention of specially trained vampire hunters loyal to Hitler and his vision of a vampire-free Europe. Exposed, deep inside enemy territory, with vicious Nazi officers and hunters at her heels, Brigit must attempt a daring escape from the Continent, guarding precious cargo that marks the only hope of salvaging their mission.

Five friends. One reunion. One bloodbath. The reunion of five friends quickly descends into carnage in Richard Laymon's terrifying novel Blood Games. Perfect for fans of Dean Koontz and Joe Hill. They meet for one week every year, five young women, best friends since college, in search of fun and thrills. Each year they choose a different place for their reunion. Helen has a macabre streak and she can't wait to tell her friends all about what happened at the lodge and why it's now abandoned. But Helen and the others are in for a nasty surprise. The resort isn't quite as deserted as they think. And not all the gruesome events at the Totem Pole Lodge are in its past. The worst are still to come... What readers are saying about [Blood Games](#): "Scary, funny, witty, and easy reading" "This book is simply the best of all Richard Laymon's books...
