For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waived. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. This newly revised workbook directly follows the information found in the student textbook. This popular supplement contains detailed, interactive exercises designed to reinforce learning and increase student comprehension, including fill-in-the-blank, word review, matching, and final review examinations. Carefully designed to help students get the most out of their textbooks, the workbook emphasizes key point of information that are most likely to included in state board exams.

Milady Standard Esthetics Fundamentals, 11th edition, is the essential source for basic esthetics training. This new edition builds upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be performed in the salon or spa

This supplement tests students' knowledge of how they should apply the information they have learned to real-life situations. This text asks that the apply that knowledge to situations that more closely reflect what they are likely to encounter as a salon employee, demonstrating that they know how to use the information they have learned. The questions are more complex than Exam Review questions, often describing a salon stylist or other professional who has a client with a combination of conditions, problems or attitudes. The student will have to take desired results, both from a technical and a communication perspective. Answers are included in the back of the book.

Milady Standard Natural Hair Care and Braiding is designed to be the training resource of choice for individuals committed to nurturing textured hair and providing excellent natural hair care services. This book introduces the technical and creative aspects of braiding, styling, and grooming hair that is naturally curly, kinky, or multi-textured. Also included, are 17 procedures with step-by-step photos and detailed instructions in techniques for styling and grooming natural hair and natural hair additions. This is a “ must have ” for those who are serious about developing a wide range of services and building a broad, diverse client base--crucial elements for success in the flourishing hair care industry.
