It is rare today for employees to stay with one organization for the long tenures that were the norm before the Great Recession. In fact, "job hopping" is the new norm, especially for Millennials. In *The Boomerang Principle*, companies learn how to leverage this fact rather than fear it. By engendering a lifetime of loyalty from former employees, leaders can see them "return" in the form of customers, partners, clients, advocates, contractors, and even returning employees. Author Lee Caraher has built several companies and managed many Millennials along the way. In her first book, *Millennials & Management*, she shared her wisdom on how to get an intergenerational workforce to contribute to the larger goals of the organization. In this follow-up book, she shifts the emphasis to creating valuable, long-lasting relationships with your employees to ensure they remain your biggest fans, even if they leave the company. *The Boomerang Principle* is a pragmatic answer to the outdated corporate mindset around employee turnover. Instead, it shifts the focus to creating lifetime loyalty from your alumni who will bring back business again and again.

The *Millennial Manual* equips leaders to increase productivity, improve retention, and accelerate the development of their Millennial workforce. It is the culmination of five years of research, hundreds of companies and thousands of leaders sharing their best practices for managing and working with Millennials. Since Millennials became a majority of the labor force, leaders have found themselves ill-equipped to successfully manage, develop, and engage this unprecedented generation. As a result, Millennials are the most disengaged and least loyal generation at work contributing to annual costs of \$500 billion in lost productivity and \$30.5 billion in Millennial turnover. In this book, you will learn: How-To Instill Work Ethic into Millennials. How-To Eliminate Entitlement in a Millennial Workforce. How-To Structure and Deliver Training that Transforms Millennials. How-To Cure (or Curb) Millennials' Career Impatience and Job Hopping. How-To Avoid the Top 2 Reasons Millennials Leave Companies. How-To Attract Millennials with the Right Company Perks. How-To Get Millennials to Answer Your Phone Call. And 40 more proven and practical how-tos! The *Millennial Manual* serves as a quick reference guide for solving (nearly) all of the challenges managers face when leading Millennials.
