Harness the power of your subconscious to create a life you desire! The Power of Your Subconscious Mind teaches us how to remove the subconscious obstacles that prevent us from achieving the success we wish for. In this book, bestselling author Joseph Murphy asserts that life events are actually the result of the workings of our conscious and subconscious minds. He suggests practical techniques through which one can change one’s destiny, principally by focusing and redirecting this miraculous energy. In these pages are the ways in which one can unleash the extraordinary mental powers to acquire self-confidence, attain professional success, create wealth, build harmonious relationships, overcome fears, get rid of bad habits and promote overall well-being and happiness. Covering a variety of topics from healing to academia to riches, the author cites numerous compelling examples of the power of our thoughts and beliefs in influencing our reality. When we change our thinking and prepare our subconscious mind, we change our destiny. Joseph Murphy was an American author and New Thought minister, ordained in Divine Science and Religious Science. A popular speaker, Murphy lectured on both American coasts and in Europe, Asia, and South Africa. Murphy is considered one of the pioneering voices of affirmative-thinking philosophy.

Drawing on the knowledge of physicians, gerontologists and neuroscientists, as well as the habits of men and women who epitomize healthy aging, the authors help readers activate unused brain areas, tone mental muscles and enliven every mental faculty. Original.

Dr. Joseph Murphy (20th May 1898-16th Dec 1981), the author of the book grew up in a devout religious home. Determined to explore new ideas, he moved to the United States. Sigmund Freud, the father of psychoanalysis, was among the first people in the world to talk about human personality and the way our mind is structured. He was the one to introduce the three important structures: conscious, subconscious and unconscious mind. Today, we have come a long way from those times and we definitely know a lot more information on how the mind functions and the way these three structures are interconnected. In this book, you will find exciting information on how the mind and the subconscious are related. Moreover, you will be able to find out about the power of the conscious mind and the important role the unconscious plays in the whole picture. The fantastic read introduces you into the world of thoughts, presents visualization as a unique technique to stimulate mind power and also provides a glimpse into the laws of attraction. It is a wonderful reading experience and one that will leave you feeling richer in the end.
