Minna no Nihongo Shokyu textbook I& II is the most popular Japanese books at most of Japanese schools all over the world. These books will enable the general adult learner to make simple conversation (Minna no Nihongo Shokyu I) or more advanced conversation (Minna no Nihongo Shokyu II) in daily life situations.

??????? I & II - Minna no Nihongo Full - Japan, My Love  
This is especially true for Minna no Nihongo, whose main textbook only features Japanese (the translation comes in a separate workbook). Second, even though some activities are designed to be done in a class environment, those books can also be used for self-study. Third, both series will go through the levels N5, N4, and N3 of the JLPT.

Learning Hiragana and Katakana is a systematic and comprehensive Japanese workbook that is perfect for self study or in a classroom setting. Written Japanese combines three different types of characters: the Chinese characters known as kanji, and two Japanese sets of phonetic letters, hiragana and katakana, known collectively as kana, that must be mastered before the Japanese kanji can be learned. Learning Japanese Hiragana and Katakana provides beginning-level students of Japanese a thorough grounding in the basic hiragana and katakana phonetic symbols or syllabaries. A comprehensive introduction presents their basic function, origin, pronunciation and usage. The main body of the book is devoted to presenting the 92 hira and kata characters along with their variations, giving step-by-step guidelines on how to write each character neatly in the correct stroke order, with plentiful practice spaces provided for handwriting practice. This Japanese workbook includes: Systematic and comprehensive coverage of the two Japanese kana systems. Ample provision for Japanese kana practice, review, and self-testing at several levels Detailed reference section explaining the origin and function of kana, and the various kana combinations. Access to online Japanese audio files to aid in correct pronunciation. Helpful additional information for language students accustomed to romanized Japanese. Vocabulary selected for usefulness and cultural relevance. About this new edition: The new third edition has been expanded and revised to include many additional reading and writing exercises. Accompanying online recordings demonstrate the correct pronunciation of all the characters, vocabulary, and sentences in the book.

"The Japanese language uses a set of symbols called 'hiragana' (to spell Japanese words), 'katakana' (to spell foreign words), and 'kanji' (to represent entire words or names). Over the course of BOOK 1, we will teach you groups of hiragana piece-by-piece to gradually build up your understanding and familiarity."--Introduction.

This is a comprehensive, self-study workbook for learning Japanese characters. Mastering Japanese Kanji can help you greatly reduce the time and effort involved in learning to read Japanese and write Japanese. It does so by introducing a method that is both effective and easy to use in memorizing the meanings and pronunciations of Kanji—the array of characters that are used in the Japanese language to symbolize everything from abstract ideas to concrete nouns. Learning any of the kanji is a two step process, requiring that you remember both the visual aspect of a character (so you can recognize it when you see it) and the aural aspect (so you will know how to say and, thus, read it). The method employed by Mastering Japanese Kanji will show you how to tackle both of these aspects from the outset, and by so doing enable you to immediately get down to the practical (and fun!) business of recognizing and reading kanji on everything from street signs to newspapers. By the time you finish this book, in fact you will be able to boast of a Japanese vocabulary numbering in the thousands of words. Key features: Downloadable audio helps to reinforce the written material Teaches the 200 most common kanji and the hundreds of compounds that use include them. Unique, specially-designed drawings and entertaining stories help you learn more quickly. Sample sentences, along with common words and compounds, expand your vocabulary by showing each kanji used in context. Stroke-order diagrams show the correct way to write each chapter. Chapter and cumulative review exercises help ensure master of what you've learned. Complete indexes show Japanese readings and English meanings for all Kanji. Contents of the downloadable audio: Stroke order animations for all 200 kanji characters. Native speaker audio recordings of all: Kanji characters. Common words and compounds. Sample sentences.

Volume 2 (4th ed.) updated to include the 196 kanja approved in 2010 for general use.
