“ An inspiring page-turner about faith . . . a masterfully written instruction manual for overcoming fear, a treasure trove of strategies for confidently navigating the path to success. ” T.D. JAKES SR., CEO of TDJ Enterprises, LLP; senior pastor of The Potter ’ s House of Dallas, Inc.; and New York Times best-selling author When you feel like giving up, seek God and ask for Courageous Faith. Set-backs, failures, and fatigue impacts us all. And at times we don ’ t feel like going on. But we must! In this book you ’ ll discover faith-filled principles to use as a blueprint for perseverance, and a new definition of success for your life.

The Miss America pageant has been held in Atlantic City for the past hundred years, helping to promote the city as a tourist destination. But just a few streets away, the city hosts a smaller event that, in its own way, is equally vital to the local community: the Miss ’ d America drag pageant. Drag Queens and Beauty Queens presents a vivid ethnography of the Miss ’ d America pageant and the gay neighborhood from which it emerged in the early 1990s as a moment of campy celebration in the midst of the AIDS crisis. It examines how the pageant strengthened community bonds and activism, as well as how it has changed now that Rupaul ’ s Drag Race has brought many of its practices into the cultural mainstream. Comparing the Miss ’ d America pageant with its glitzy cisgender big sister, anthropologist Laurie Greene discovers how the two pageants have influenced each other in unexpected ways. Drag Queens and Beauty Queens deepens our understanding of how femininity is performed at pageants, exploring the various ways that both the Miss ’ d America and Miss America

pageants have negotiated between embracing and critiquing traditional gender roles. Ultimately, it celebrates the rich tradition of drag performance and the community it engenders.

Traces the pageant's history from its inception in 1920 through its emergence as American popular culture icon, not only chronicling events but presenting two opposing perspectives on the pageant: the pageant as celebration and idealization of American womanhood, and the pageant as sexist, exploitative anachronism. With 25 pages of bandw photographs. Paper edition (unseen), \$12.95. Annotation copyrighted by Book News, Inc., Portland, OR

This is an intriguing and original examination of how issues of sex, race and nationalism get played out in US beauty pageants, and how pageants have tried to respond to large social and political change. She takes issue with those in Naomi Wolff's camp, as well as with conservatives.

A fresh exploration of American feminist history told through the lens of the beauty pageant world. Many predicted that pageants would disappear by the 21st century. Yet they are thriving. America's most enduring contest, Miss America, celebrates its 100th anniversary in 2020. Why do they persist? In *Here She Is*, Hilary Levey Friedman reveals the surprising ways pageants have been an empowering feminist tradition. She traces the role of pageants in many of the feminist movement's signature achievements, including bringing women into the public sphere, helping them become leaders in business and politics, providing increased educational opportunities, and giving them a voice in the age of #MeToo. Using her unique perspective as a NOW state president, daughter to Miss America 1970, sometimes pageant judge, and scholar, Friedman explores how pageants became so deeply embedded in American life from their origins as a P.T. Barnum spectacle at the birth of the suffrage movement, through Miss Universe's bathing beauties to the talent- and achievement-based competitions of today. She looks at how pageantry has morphed into culture everywhere from *The Bachelor* and RuPaul's *Drag Race* to cheer and specialized contests like those for children, Indigenous women, and contestants with disabilities. Friedman also acknowledges the damaging and unrealistic expectations pageants place on women in society and discusses the controversies, including Miss America's ableist and racist history, Trump's ownership of the Miss Universe Organization, and the death of child pageant-winner JonBenét Ramsey. Presenting a more complex narrative than what's been previously portrayed, *Here She Is* shows that as American women continue to evolve, so too will beauty pageants.
