Applied Marketing is a concise product that provides the very latest examples of marketing techniques and campaigns from today,s business world without compromising on traditional theories of marketing. Marketing is about decision making and professors want material that will help students develop their critical

Online Library Mktg Second Canadian Edition

thinking skills so they can think like a marketer and see that marketing is everywhere around them. Who better to develop such a product than a practitioner, Andrew Loos of Attack Marketing, and an academic, Daniel Padgett of Auburn University. Together these authors provide insights into what employers need, know the

Online Library Mktg Second Canadian Edition

latest tools used by companies today and can help students smoothly move from the classroom to their careers. Applied Marketing connects traditional marketing with customer-perspective marketing, thus teaching students the value of allowing customers to feel more connected to the product, brand and company.

application to the material and follow successful programs and individuals"--

Highly readable and current, this Canadian casebook provides marketing students with the opportunity to gain valuable experience in marketing case analysis through active participation and discussions. The various

Online Library Mktg Second Canadian Edition

activities foster learning through the development of independent thought and creativity, and interpersonal, communication, and decision-making skills. This text features a broad selection of cases of varying length, scope, number and difficulty, chosen to allow for flexibility. While some cases are focused on specific

Online Library Mktg Second Canadian Edition

marketing issues, others are comprehensive cases that require a complete analysis. Detailed teaching notes provide useful suggestions for teaching the material at different levels. This collection of 50 cases is drawn from different geographic regions of Canada, covering a wide range of organizations and marketing scenarios.

Political parties worldwide are using marketing tools such as targeting and segmentation to win elections. Are these strategies making politicians and governments more responsive to voters' needs, or do they pose a threat to democracy? Through case studies that range from the resurrection of the Conservative

Online Library Mktg Second Canadian Edition

Party to Tim Hortons as a political brand, this volume shows that the consequences of political marketing in Canada have been profound. Citizens are now viewed as consumers, and platforms and promises have been repackaged as products. Whether this trend is positive or negative depends on how politicians and governments carry out
