Action Plan for IELTS is a short, self-study guide for students about to take the IELTS test. The book is organised by paper and examines each question type in detail. It gives students a last-minute action plan, providing examples, mini practice tasks and strategies to maximise their band score in the test. Action Plan for IELTS is available for both the Academic and General Training module. The Academic module is suitable for students around Band 6+ and the General Training module for students around Band 5+. A Self-study Student's Book and an Audio CD are also available.

This book presents all the publicly available questions from the PISA surveys. Some of these questions were used in the PISA 2000, 2003 and 2006 surveys and others were used in developing and trying out the assessment.

This workbook is an important teaching tool for those learning English as a second language and anyone who wants to pursue a career in customer service. By building your customer service vocabulary, you'll be able to

- develop the vocabulary and vocational skills you need to become successful;
- improve your reading and oral communication skills;
- enhance your thinking and problem solving skills;
- boost your spelling and phonics skills.

The workbook's ninety-two exercises help you build work-specific skills and job related vocabulary. Master your understanding of almost three hundred words with easy-to-follow exercises such as reading comprehension, applying the meaning, filling in the blanks, and more. You'll also find fun activities such as word searches, crosswords, and analogies. In addition to learning a robust customer service vocabulary, you'll also apply synonyms and antonyms that will help you in a customer service environment. Get your career on the fast track or, if you are a teacher, find an important resource so your students can learn the skills that matter most with Essential Skills: Customer Service Vocabulary Building Workbook.

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.
